WHEREAS, on June 24, 2021, the City Council adopted the Fiscal Year (FY) 2021-23 biennial budget (Resolution No. 88721 C.M.S.), which appropriated funds for the expenditures proposed by said budget; and

WHEREAS, the City Council has a longstanding policy of adopting a two-year budget and making mid-cycle adjustments to the biennial budget; and

WHEREAS, in May and June 2022, the City Council reviewed the City's revenues and expenditures as part of the midcycle budget review process and, on June 30, 2022, adopted FY 2022-23 Midcycle Budget Adjustments to balance the FY 2021-23 biennial budget (Resolution No. 88721 C.M.S.); and

WHEREAS, the ongoing COVID-19 pandemic, and related economic and public safety issues, has had devastating negative impacts on much of Oakland, including having a disproportionate negative impact on Black, Latinx, Indigenous and Asian Pacific Islander communities, and harming local small businesses; and

WHEREAS, the budget amendments adopted by the Council on June 30, 2022, included funding to be used to issue grants and contracts to community-based organizations to provide urgently-needed activities to help protect community health and safety, increase equity, reduce vulnerabilities and negative impacts on our community, increase local economic opportunity, and other needs for hard-hit communities; and

WHEREAS, the City Council wishes to expedite the issuance of these grants and contracts to improve the lives of Oakland community members; and

WHEREAS, Oakland Municipal Code ("O.M.C.") section 2.04.040(B) requires advertising and bidding for purchase orders and contracts for supplies, construction services and professional services; and
