Interior Perspective | Computer Lab / Classroom

Current buildings and existing fences mean that the park-goer is expected to make more circuitous paths of travel to cross the park.

Circulation improvements enhance the entire park experience by strengthening the main entries on Webster and Broadway and providing an entirely new East-West connection.

NOTES: This plan reflects the Masterplan context for the amphitheater ADA access and the Moss House ADA ramp for purposes of coordinatino only. Neither ramp is part of this scope.

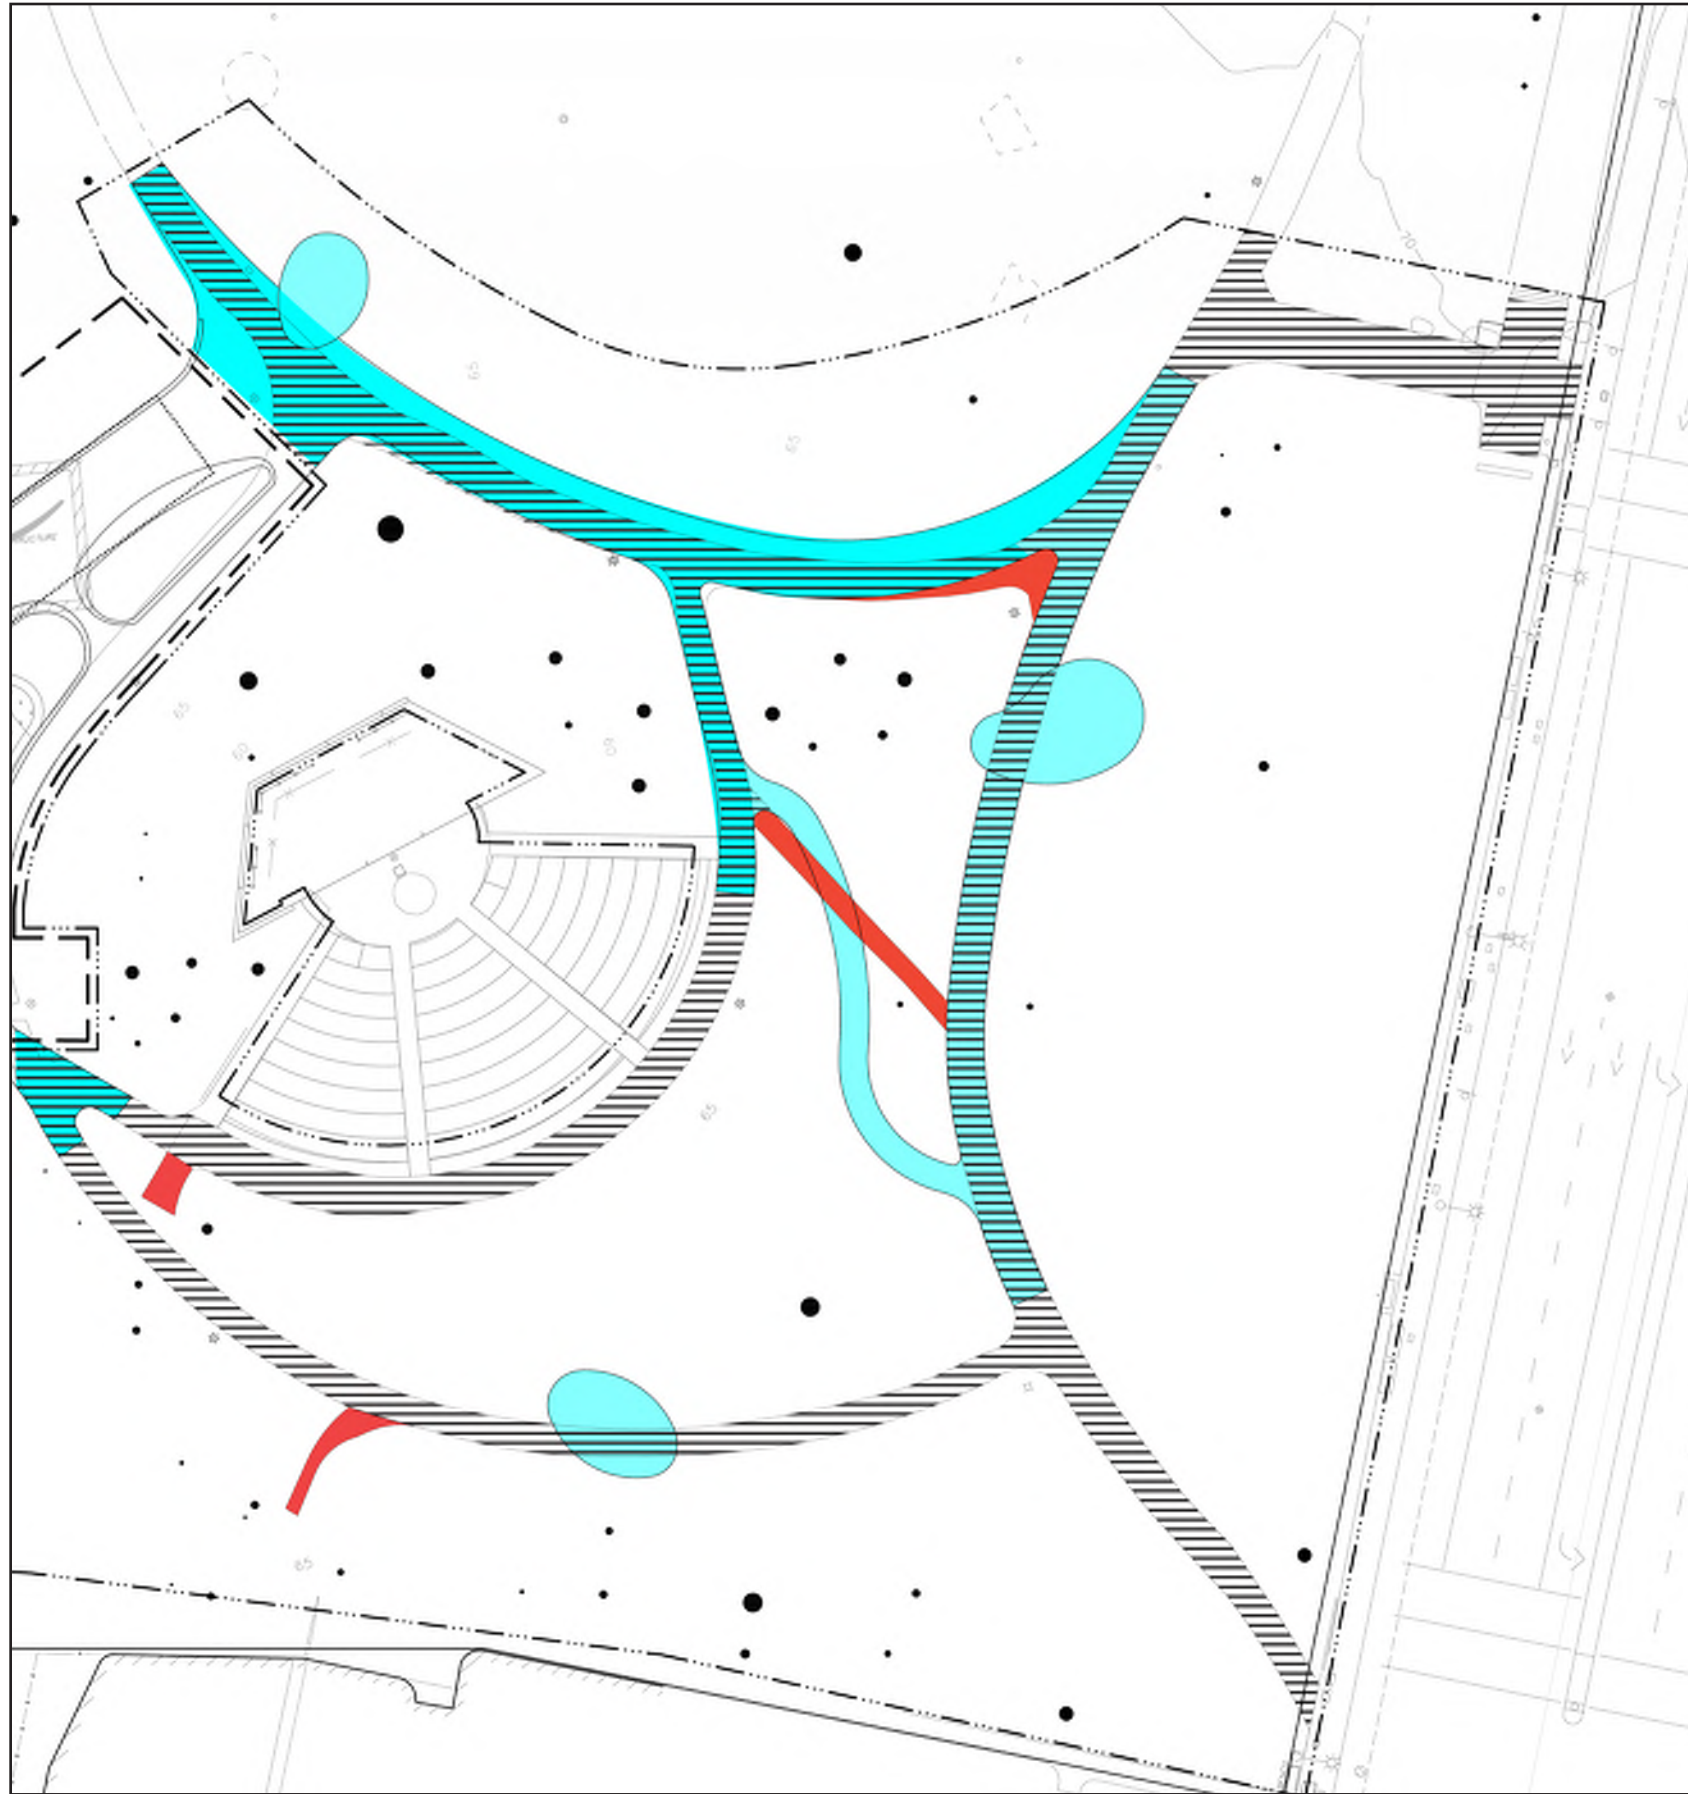

New big, bright,
connection opens up
the meadow to the
Community Center!

LEGEND

- PATHS TO BE REMOVED
- PROPOSED PATHS
- EXISTING PATHS

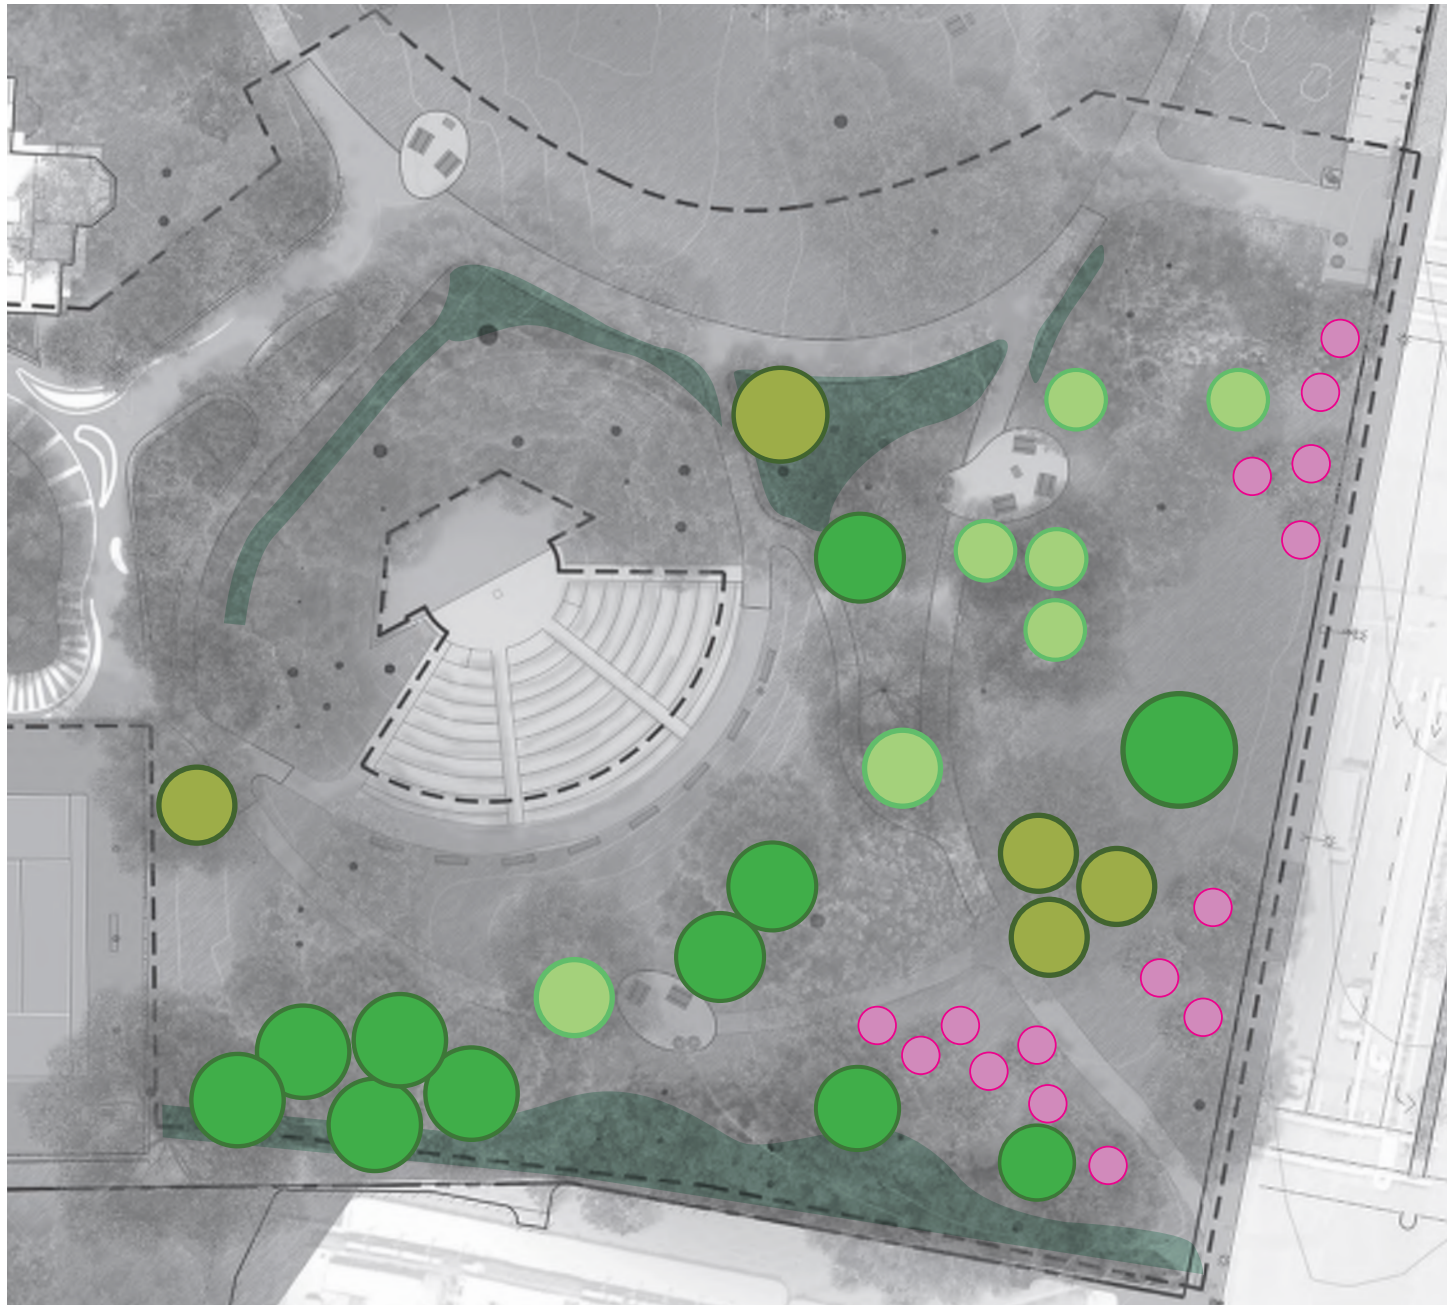

Existing Plan: Tree Species to be Removed

| Tree Species to be Removed | Total Quantity | Health |
|-------------------------------------------------------------------|----------------|----------------|
| 1. <i>Betula pendula</i> , White Bark Birch (ID # 150,152-160) | 11 | 2 Poor, 7 Fair |
| 2. ID #115 <i>Magnolia Spp. Deciduous magnolia</i> | 1 | Poor |
| 3. ID # 134 <i>Prunus lyonii</i> , Catalina Cherry | 1 | Poor |
| 4 ID # 175 <i>Quercus Agrigolia</i> , Coast Live Oak | 1 | Poor |

View of *Betula Pendula*

Proposed Tree Species Legend

-  *Sequoia sempervirens*, Coast Redwood
-  *Quercus virginiana*, Southern Live Oak
-  *Quercus engelmannii*, Engelmann Oak
-  *Cercis canadensis*, Eastern Red Bud
-  **UNDER-STORY SUCCESSIONAL MIX:**
Pacific Mist, Himalayan Box, Western Sword Fern, Spice Bush

EXAMPLE PHOTO OF TREES TO REMAIN

Sequoia sempervirens, Coast redwood

Sequoia sempervirens, Coast redwood

SUCCESSIONAL URBAN FOREST PROPOSED SPECIES:

Sequoia sempervirens, Coast redwood

Quercus engelmannii, Engelmann Oak

Quercus virginiana, Southern Live Oak

Cercis canadensis, Eastern Red Bud

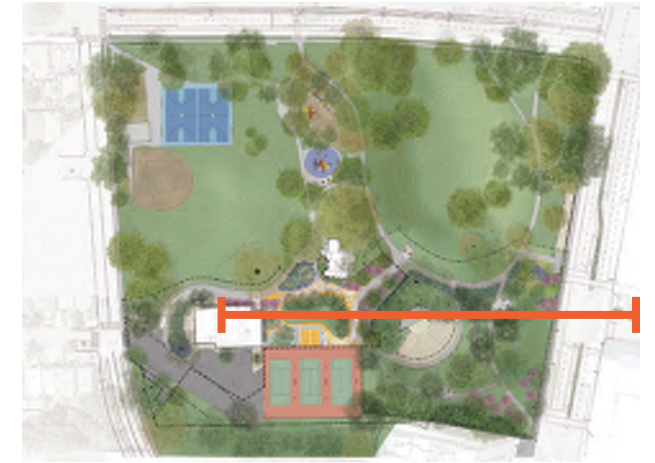

Trees to be removed at Mosswood Parking Lot

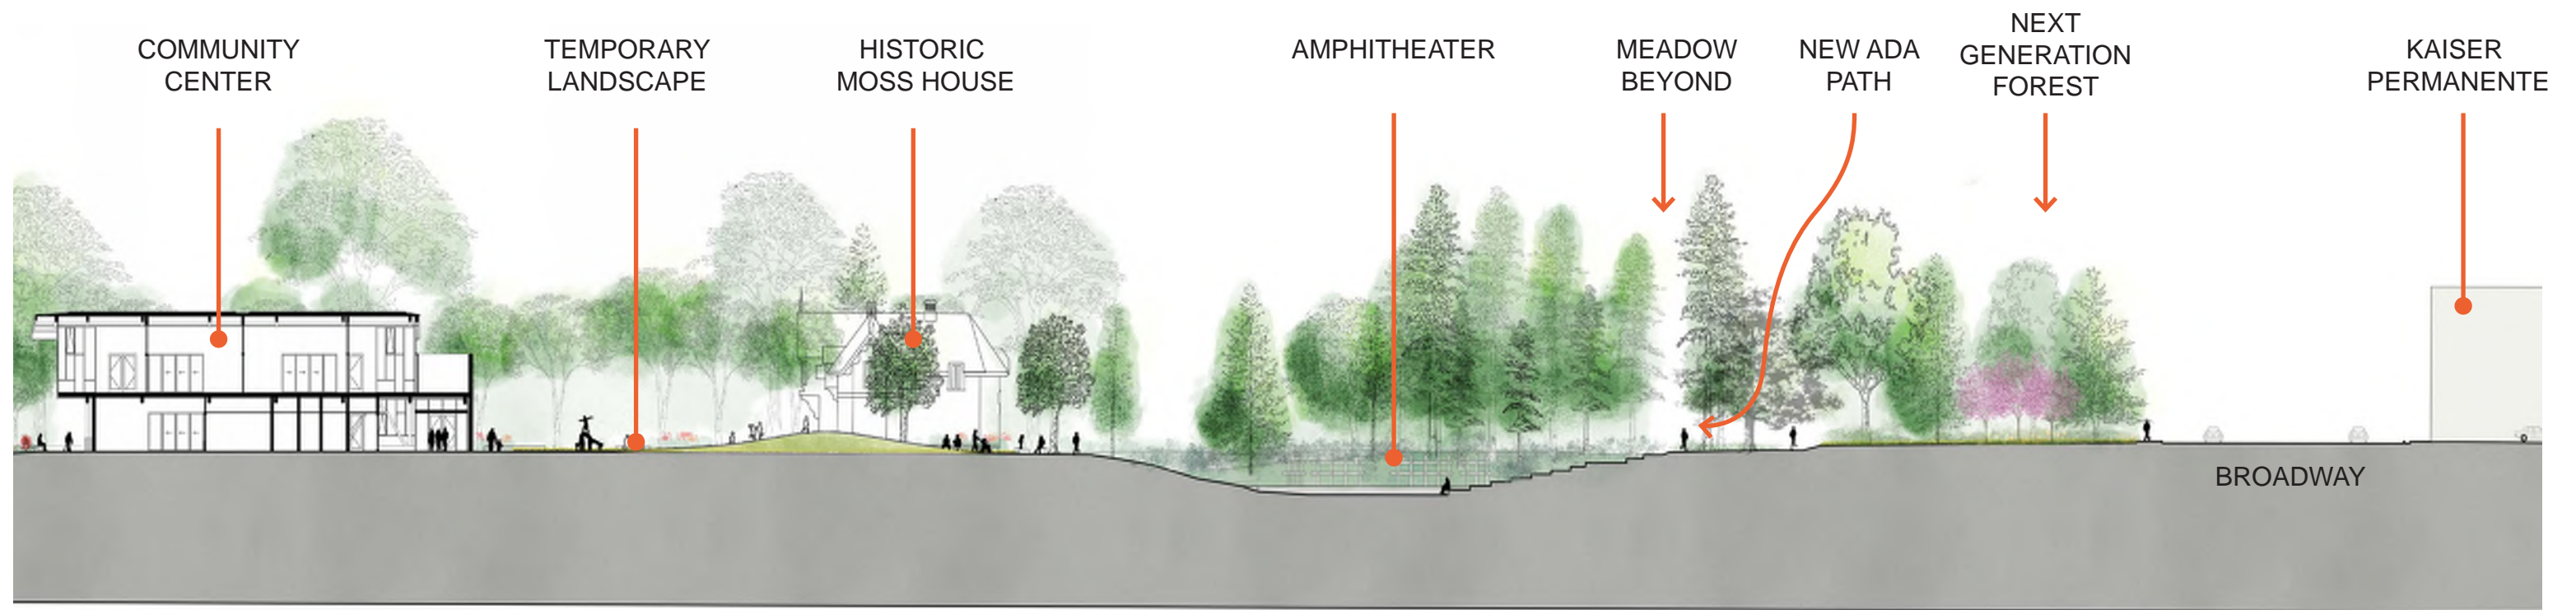

Nature exploration area at Rolph Nichols Playground San Francisco

KEY PLAN

East - West Section Of Amphitheater

PLANTING DIAGRAM

SHRUB MIX

Rhamnus californica
Coffee Berry

Polystichum munitum,
Western Sword Fern

Sarcococca hookeriana
Himalayan sweet box

Calycanthus occidentalis
Spice Bush

FLOWERING MIX

Ceanothus griseus "Yankee
point"

Cistus salvifolius
'Prostratus', Rock Rose

Mix of *Eschscholzia californica*
and *Sisyrinchium bellum*.

Agave attenuata,
Blue Flame

UNDER STORY

Arctostaphylos 'Pacific Mist'

LAWN

Turf mix

MULCH

Cedar chip mulch located
under shrub mix and trees
