HOMEOWNERSHIP PROGRAM DESCRIPTION

The City of Oakland's First-Time Homebuyers [Mortgage Assistance Program](#) (MAP) operates jointly with participating lenders to assist lower-income, first-time homebuyers to purchase homes in Oakland.

The City of Oakland will lend qualifying homebuyers the amount needed (as determined by a participating lender) up to \$75,000 to purchase a home. These loans are secured by a Deed of Trust on the property and require no monthly payments. The City provides these loans to create homeownership opportunities for low- and moderate-income households.

Borrower and spouse must be **first-time homebuyers**, meaning they have not owned their principal residence during the previous three years. Some exceptions may apply. Please call or check the website.

Key Program Guidelines:

120% AMI: The program assists households up to 120% Area Median Income (AMI). Of total program funding, 15% is set aside for applicants in **Income Tier 3**. (See Table 1 inside the right panel)

Resident/Worker Requirement: The MAP Mortgage Assistance Program is restricted to households with an adult who is an Oakland resident, an Oakland worker/student, or was displaced from an Oakland housing unit.

Reservations are required: To reserve loan funds, the buyer's lender representative must submit required documentation once the buyer is in contract to purchase. MAP funds are limited and may be reserved until funding is exhausted.
