## Section 2. IMPOSITION OF PARCEL TAX.

There is hereby imposed a special tax on all Owners of parcels in the City of Oakland for the privilege of using municipal services and the availability of such services. The tax imposed by this Section shall be assessed on the Owner unless the Owner is by law exempt from taxation, in which case, the tax imposed shall be assessed to the holder of any Possessory Interest in such parcel, unless such holder is also by law exempt from taxation. The tax is imposed as of July 1 of each year on the person who owned the parcel on that date. The tax shall be collected at the same time, by the same officials, and pursuant to the same procedures as the one percent property tax imposed pursuant to Article XIII A of the California Constitution.

Base Amount of Tax. The tax hereby imposed shall be set as follows subject to adjustment as provided in Section 4 below:

(A) For owners of all Single Family Residential Parcels, the tax shall be at the annual rate of \$75.00 per parcel.

(B) For owners of all Multiple Residential Unit Parcels, the tax is the annual rate of \$51.24 multiplied by the total number of Residential Units located on the parcel.

Owners of Multiple Residential Unit Parcels that have units that are vacant for six months or more per year may apply to the Director of Finance to have the annual rate per vacant Residential Unit located on the Parcel, reduced to \$25.62, 50% of the annual rate for an occupied Residential Unit located on the parcel.

(C) The tax for Non-Residential Parcels is calculated using both frontage and square footage measurements to determine total Single Family Residential Unit Equivalents (SFE). A frontage of 80 feet for a commercial/industrial parcel, for example, is equal to one (1) single family resident unit equivalent. (See matrix.) An area of 6,400 square feet for the commercial industrial parcel is equal to one (1) single family resident unit equivalent. The tax is the annual rate of \$38.41 multiplied by the total number of Single Family Equivalents (determined by the frontage and square footage).

LAND USE CATEGORY	FRONTAGE	AREA (SF)
Commercial Institutional	80	6,400
Industrial	100	10,000
Public Utility	1,000	100,000
Golf Course	500	100,000
Quarry	1,000	250,000

Example: assessment calculation for a Commercial Institutional Parcel with a Frontage of 160 feet and an Area of 12,800 square feet:

Frontage      160 feet ÷ 80 = 2 SFE

Area            12,800 square feet ÷ 6,400 = 2 SFE

2 SFE + 2 SFE = 4 SFE

4 SFE x \$38.41 = \$153.64 tax

(D) An Owner of An Undeveloped Parcel is exempt from this parcel tax if the owner can prove that the parcel was undeveloped for at least six months of the year in question.

(E) The tax imposed by this Ordinance shall be imposed on each Hotel within the City as follows:

1. Residential Hotels. Rooms in a Hotel occupied by individuals who were not Transients for 80% or more of the previous Fiscal Year shall be deemed Residential Units and the parcel on which they are located shall be subject to the Parcel tax imposed on Multiple Residential Unit Parcels. The remainder of the Building shall be subject to the applicable tax computed in accordance with the Single Family Residential Unit Equivalent formula set forth in Section 2(C).

2. Transient Hotels. Notwithstanding the previous subsection, if 80% or more of the Operator's gross receipts for the previous Fiscal Year were reported as rent received from Transients on a return filed by the Operator in compliance with section 4.24.010 of the Oakland Municipal Code (commonly known as the Uniform Transient Occupancy Tax of the City of Oakland), such Hotel shall be deemed a Transient Hotel. The entire Building shall be deemed a Non-Residential Parcel, categorized as Commercial/Institutional, and shall be subject to the applicable tax computed in accordance with the Single Family Residential Unit Equivalent formula set forth in Section 2(C), and the parcel tax imposed on Multiple Residential Units shall not apply.

### Section 3. EXEMPTIONS

(A) Very Low income household exemption. The following is exempt from this tax: an Owner of a single family residential unit (1) who resides in such unit and (2) whose combined family income, from all sources for the previous fiscal year, is at or below the income level qualifying as "very low income" for a Family of such size under Section 8 of the United States Housing Act of 1937 (42 U.S.C.A. Sections 1437 et. seq.,) for such fiscal year. Owners must apply for the exemption provided for in this section annually by petition to the Director of the Finance of the City of Oakland ("Director of Finance") or City Administrator designee in the manner and time set forth in procedures established by the Director of Finance. Such petitions shall be on forms provided by the Director of Finance and shall provide such information as the Director of Finance shall require, including, but not limited to, federal income tax returns and W-2 forms of owner-occupants eligible for this exemption.

(B) Fifty percent reduction for affordable housing projects. Rental housing owned by nonprofit corporations and nonprofit-controlled partnerships for senior, disabled and low income households that are exempt from ad valorem property tax pursuant California Revenue and Taxation Code 214(f), (g) and (h) shall be liable for only 50% of the parcel tax. The exemption shall apply in the same proportion that is exempted from ad valorem property tax.

(C) Senior household exemption. The following is exempt from this tax: an Owner and Occupier of a single family residential unit (1) who is 65 years of age or older and (2) whose combined family income, from all sources for the previous fiscal year, is at or below the income level qualifying as "low income" for a Family of such size under Section 8 of the United States Housing Act of 1937 (42 U.S.C.A. Sections 1437 et. seq.,) for such fiscal year. Owners must apply for the exemption provided for in this section annually by petition to the Director of the Finance of the City of Oakland ("Director of Finance") or City Administrator designee in the manner and time set forth in procedures

established by the Director of Finance. Such petitions shall be on forms provided by the Director of Finance and shall provide such information as the Director of Finance shall require, including, but not limited to, federal income tax returns and W-2 forms of owner-occupants eligible for this exemption.

Section 4.        **REDUCTION IN TAX; RATE ADJUSTMENT**

- (A) Subject to paragraph (B) of this section, the tax rates imposed by this Ordinance are maximum rates and may not be increased by the City Council above such maximum rates. The tax imposed by the Ordinance may be suspended, reduced or eliminated by the City Council for a subsequent fiscal year upon a vote of the City Council on or before June 30th of the year in which the City Council determines that after such suspension, reduction or elimination, there will be sufficient revenues available to balance the City Council's Adopted Policy Budget and provide the services and programs described in Part I, Section 3 above. Such suspension, reduction or elimination shall be effective the fiscal year following such vote.
  
- (B) Beginning in the Fiscal Year 2019-2020, and each year thereafter, the City Council may increase the tax imposed hereby only upon making one of the following findings:
  - 1) That the cost of living in the immediate San Francisco Bay Area, as determined by the 12-month Annual Percentage Change in the Consumer Price Index (CPI) for all items in the San Francisco Bay Area as published by the Bureau of Labor Statistics of the U.S. Department of Labor, has increased; or
  
  - 2) That the fiscal year change in California per capita personal income, as determined by the California State Department of Finance and shown in the Price Factor and Population Information Report issued each May, has increased.

The increase of the taxes imposed hereby shall not exceed the verified increase in either 1) the cost of living in the immediate San Francisco Bay Area, using 2018 as the index year, or 2) California per capita personal income, using Fiscal Year 2018-2019 as the index year, whichever is greater.

Section 5.        **PARCEL TAX NOT TO REPLACE GENERAL FUND APPROPRIATIONS**

The City's current General Fund appropriation for Library services may not be replaced by this parcel tax. The Library Department's adopted General Fund appropriation for fiscal year 2017-2018 is \$12,992,267.

For any year during which this tax is in effect, if the City's General Fund appropriation to the Library Department is reduced below \$12,992,267, the parcel tax

shall not be levied; provided, however, that if a severe and unanticipated financial or other event occurs that so adversely impacts the General Purpose Fund as to prevent the City from budgeting for and maintaining the Library's General Purpose Fund at the appropriation for fiscal year 2017-2018, the City's reduction to the Library Department's General Fund appropriation shall be no more than the same proportion of reduction that is imposed on the City's net General Fund budget for non-safety departments (which are all operating departments, except police and fire), then the tax nonetheless may be levied. This exception shall apply only if the City Administrator submits a report to the City Council explaining the severe and unanticipated event, the steps that were taken by the City to avoid the need to reduce the Library's General Fund and the steps that will be taken by the City in the future to restore the Library's General Fund. Such actions must be taken for each fiscal year in which the City fails to meet the FY 2017-18 appropriation requirements of this Ordinance for the reasons described in this section.

(The City's net General Fund budget for non-safety departments is the total General Fund appropriation to their operating budgets excluding expenditures that are offset by fees or other non-tax revenues.) Following any Library Department General Fund appropriation reduction from the minimum level of \$12,992,267 and for the parcel tax to be levied in any subsequent year, the Library Department must receive increases in its General Fund appropriation proportional to the increases in the non-safety departments' net General Fund budgets up to at least the minimum level of \$12,992,267.

#### Section 6. DUTIES OF THE DIRECTOR OF FINANCE

It shall be the duty of the Director of the Finance to collect and receive all taxes imposed by this Ordinance. The Director of Finance is charged with the enforcement of this Ordinance and may adopt rules and regulations relating to such enforcement.

#### Section 7. EXAMINATION OF BOOKS, RECORDS, WITNESSES: PENALTIES.

The Director of Finance or his/her designee is hereby authorized to examine assessment rolls, property tax records, records of the Alameda County Recorder and any other records of the County of Alameda deemed necessary in order to determine ownership of Parcels and computation of the tax imposed by this Ordinance.

The Director of Finance or his/her designee is hereby authorized to examine the books, papers and records of any person subject to the tax imposed by this Ordinance for the purpose of verifying the accuracy of any petition, claim or return filed and to ascertain the tax due. The Director of Finance, or his/her designee is hereby authorized to examine any person, under oath, for the purpose of verifying the accuracy of any petition, claim or return filed or to ascertain the tax due under this Ordinance and for this purpose may compel the production of books, papers and records before him/her, whether as parties or witnesses, whenever s/he believes such persons have knowledge of such matters. The refusal of such examination by any person subject to the tax shall be deemed a violation of

this Ordinance and of the Oakland Municipal Code and subject to any and all remedies specified therein.

Section 8. COLLECTION OF TAX; INTEREST AND PENALTIES.

The tax shall be delinquent if the City does not receive it on or before the delinquency date set forth in the notice mailed to the Owner's address as shown on the most current assessment roll of the Alameda County Tax Collector; and the tax shall be collected in such a manner as the City Council may decide. The City may place delinquencies on a subsequent tax bill.

A one-time penalty at a rate set by the City Council, which in no event shall exceed 25% of the tax due per fiscal year, is hereby imposed by this ordinance on all taxpayers who fail to timely pay the tax provided by this ordinance; in addition, the City Council may assess interest at the rate of 1% per month on the unpaid tax and the penalty thereon.

Every penalty imposed and such interest as accrues under the provisions of this ordinance shall become a part of the tax herein required to be paid.

The City may authorize the County of Alameda to collect the taxes imposed by this ordinance in conjunction with and at the same time and in the same manner as the County collects property taxes for the City. If the City elects to authorize the County of Alameda to collect the tax, penalties and interest shall be those applicable to the nonpayment of property taxes.

Section 9. COLLECTION OF UNPAID TAXES.

The amount of any tax, penalty, and interest imposed under the provisions of this ordinance shall be deemed a debt to the City. Any person owing money under the provisions of this ordinance shall be liable to an action brought in the name of the City for the recovery for such amount.

Section 10. REFUND OF TAX, PENALTY, OR INTEREST PAID MORE THAN ONCE; OR ERRONEOUSLY OR ILLEGALLY COLLECTED.

Whenever the amount of any tax, penalty, or interest imposed by this ordinance has been paid more than once, or has been erroneously or illegally collected or received by the City it may be refunded provided a verified written claim for refund, stating the specific ground upon which such claim is founded, is received by the Director of Finance within one (1) year of the date of payment. The claim shall be filed by the person who paid the tax or such person's guardian, conservator, or the executor of her or his estate. No representative claim may be filed on behalf of a taxpayers or a class of taxpayers. The claim shall be reviewed by the Director of Finance and shall be made on forms provided by the Director of Finance. If the claim is approved by the Director of Finance, the excess amount collected or paid may be refunded or may be credited against any amounts then due and payable from the Person from whom it was collected or by whom paid, and the balance may be refunded to such Person, his/her administrators or executors. Filing a

claim shall be a condition precedent to legal action against the City for a refund of the tax; and be it,
