Contractor Agreement

In addition to in-person permitting and application processing, electronically submitting building permit applications, paying related fees, and issuing permits electronically ("Electronic Permit Service") is available at the City of Oakland – Bureau of Building.

By submitting this agreement, I, the undersigned applicant, agree to the following terms and conditions of the Electronic Permit Service described herein.

1. Indemnification. I hereby agree, to the maximum extent permitted by law, to defend (with counsel acceptable to the City), indemnify, and hold harmless the City of Oakland, the Oakland City Council, the City of Oakland Redevelopment Agency, the City of Oakland Redevelopment Successor Agency, the Oakland City Planning Commission and their respective agents, officers, volunteers, and employees (collectively called "City") from any liability, damages, claim, judgment, loss (direct or indirect), action, causes of action or proceeding (including legal costs, attorneys' fees, expert witness or consultant fees, City Attorney or staff time, expenses or costs) (collectively called "Action") against the City to attack, set aside, void or annul any permit issued under the Electronic Permit Service, or arising out of or in any way related to any permit issued using the Electronic Permit Service or the use or occupancy of the public right-of-way, public easement, or any sidewalk, street or sub-sidewalk or otherwise by virtue thereof, and will in all things strictly comply with the conditions under which any permit is granted, regardless of negligence of the City. The City may elect, in its sole discretion, to participate in the defense of said Action and the applicant shall reimburse the City for its reasonable legal costs and attorneys' fees. This Indemnification section shall survive termination, extinguishment or invalidation of the permit. I further certify that I am the owner of the property involved in any permit issued or that I am fully authorized by the owner to access the property and perform the work authorized by any permit issued.

2. Modification and Termination of Service. At any time, City or applicant, at its sole discretion, may discontinue its use of the Electronic Permit Service. At any time, City, at its sole discretion, also may terminate the undersigned applicant's account and require the applicant to submit all future building permit applications in person or by mail. City shall not be liable to the undersigned applicant or any third party for any modification to or discontinuance of the Electronic Permit Service. 3. Applicant Conduct. The undersigned applicant shall comply with this Agreement and all local, state, and federal laws and regulations while using the Electronic Permit Service. The undersigned applicant shall not: (a) interfere with the use and enjoyment of the Electronic Permit Service by other users; (b) impersonate any person or entity or misrepresent its

affiliation with a person or entity; (c) permit any third-party to access the applicant's Electronic Permit Service account using the applicant's identification(s) and password(s). The applicant shall notify the City immediately upon determining that the applicant's account was accessed by a third-party.

I understand that my actions to submit electronic permit applications will serve as my electronic signature on the application(s) as provided for under California Civil Code 1633.1-1633.17 - Electronic Transactions.

I hereby affirm that I am licensed under provisions of Chapter 9 (Commencing with Sec. 7000) of Division 3 of the California Business and Professions Code, and my licenses are in full force and effect.
