### ROLL CALL

### NEW BUSINESS

The proposed Macarthur Transit Village Parcel B project (case file **PUD06058-R01**) is located in the western portion of the Macarthur Transit Village (the area bounded by Highway 24 to the west, 40<sup>th</sup> Street to the north, Telegraph Avenue to the east, and West Macarthur Boulevard to the south). The proposed project is a change from the approved project for the site; the project includes redevelopment of the site with a high-rise building, including up to 402 residential units, 10,000 square feet of commercial uses, 260 parking spaces, and usable open space. The applicant currently seeks approval of a revision of the PUD, a Final Development Permit and a Tentative Parcel Map, to permit the proposed project. The Design Review Committee reviewed the project and took public testimony at their regularly scheduled meeting on August 10, 2016. The purpose of this meeting is to review changes to the plans considered by the DRC in August, 2016, specifically with a focus on the project massing and arrangement of land uses.
