Frequently Asked Questions FAQ's
for Sewer Lateral (SL), Curb Gutter Sidewalk (CGS) and Excavation (X) Permits

1. What is a SL Permit?

Answer: SL Permit allows a contractor with the appropriate contractor's license (see question 3 below) to install a sewer lateral in private property or in the City Right-Of-Way. Applicant must request for inspections at least 48 hours in advance of scheduled work. City Inspector will inspect the pipe material, connections, and requests compaction test results.

2. How much does a SL permit cost?

Answer: Rates are shown in "How Fees Are Calculated For SL, CGS, and X Permits" in Page 5.

3. Who can apply for a SL permit?

Answer: For Sewer lateral in private property, contractor must have Class B, C-36, C-42 or Class A license. For sewer lateral in private property and City Right-of-Way, contractor must have either Class C-42, C-57, or an A license. In addition, contractor must have a current valid Oakland Business License. If a homeowner wants to be a permit runner for the contractor, a signed company letter authorization from the contractor is required to allow the homeowner to obtain the permit under the contractor's license.

4. What is a CGS Permit?

Answer: CGS Permit allows a contractor with the appropriate contractor's license (see question 6 below) to install new or wider driveway, repair curb, gutter and sidewalk, repair a driveway, and install sidewalk underdrain in the City Right-Of-Way. Applicant must request for inspections at least 48 hours in advance of scheduled work. City Inspector will inspect the material, construction method, and paving, and requests compaction test results.

5. How much does a CGS permit cost?

Answer: Rates are shown in "How Fees Are Calculated For SL, CGS, and X Permits" in Page 5.

6. Who can apply for a CGS permit?

Answer: Contractors must have either Class B, C-8 or Class A license. In addition, contractor must have current valid Oakland Business License. If a homeowner wants to be a permit runner for the contractor, a signed company letter authorization from the contractor is required to allow the homeowner to obtain the permit under the contractor's license.

7. What is a X Permit?

Answer: X Permit allows a contractor with the appropriate contractor's license (see question 9 below) to excavate in the right of way for installing private underground utilities. Applicant must request for inspections at least 48 hours in advance of scheduled work. City Inspector will inspect the material, construction method, connections, paving, and requests compaction test results.

8. How much does a X permit cost?

Answer: Rates are shown in “How Fees Are Calculated For SL, CGS, and X Permits” in Page 5.

9. Who can apply for a X permit?

Answer: Contractors must have either Class C-42, C-57 or Class A license. In addition, contractor must have current valid Oakland Business License. If a homeowner wants to be a permit runner for the contractor, a signed company letter authorization from the contractor is required to allow the homeowner to obtain the permit under the contractor’s license.

10. If I don’t need the SL/CGS/X Permits, can I request a refund?

Answer: A refund request form must be reviewed by the City inspector’s and approval by the supervisor. Refund requests are available on the City Cashier, second floor of 250 Frank Ogawa Plaza.

11. How to request inspections for SL/CGS/X Permits?

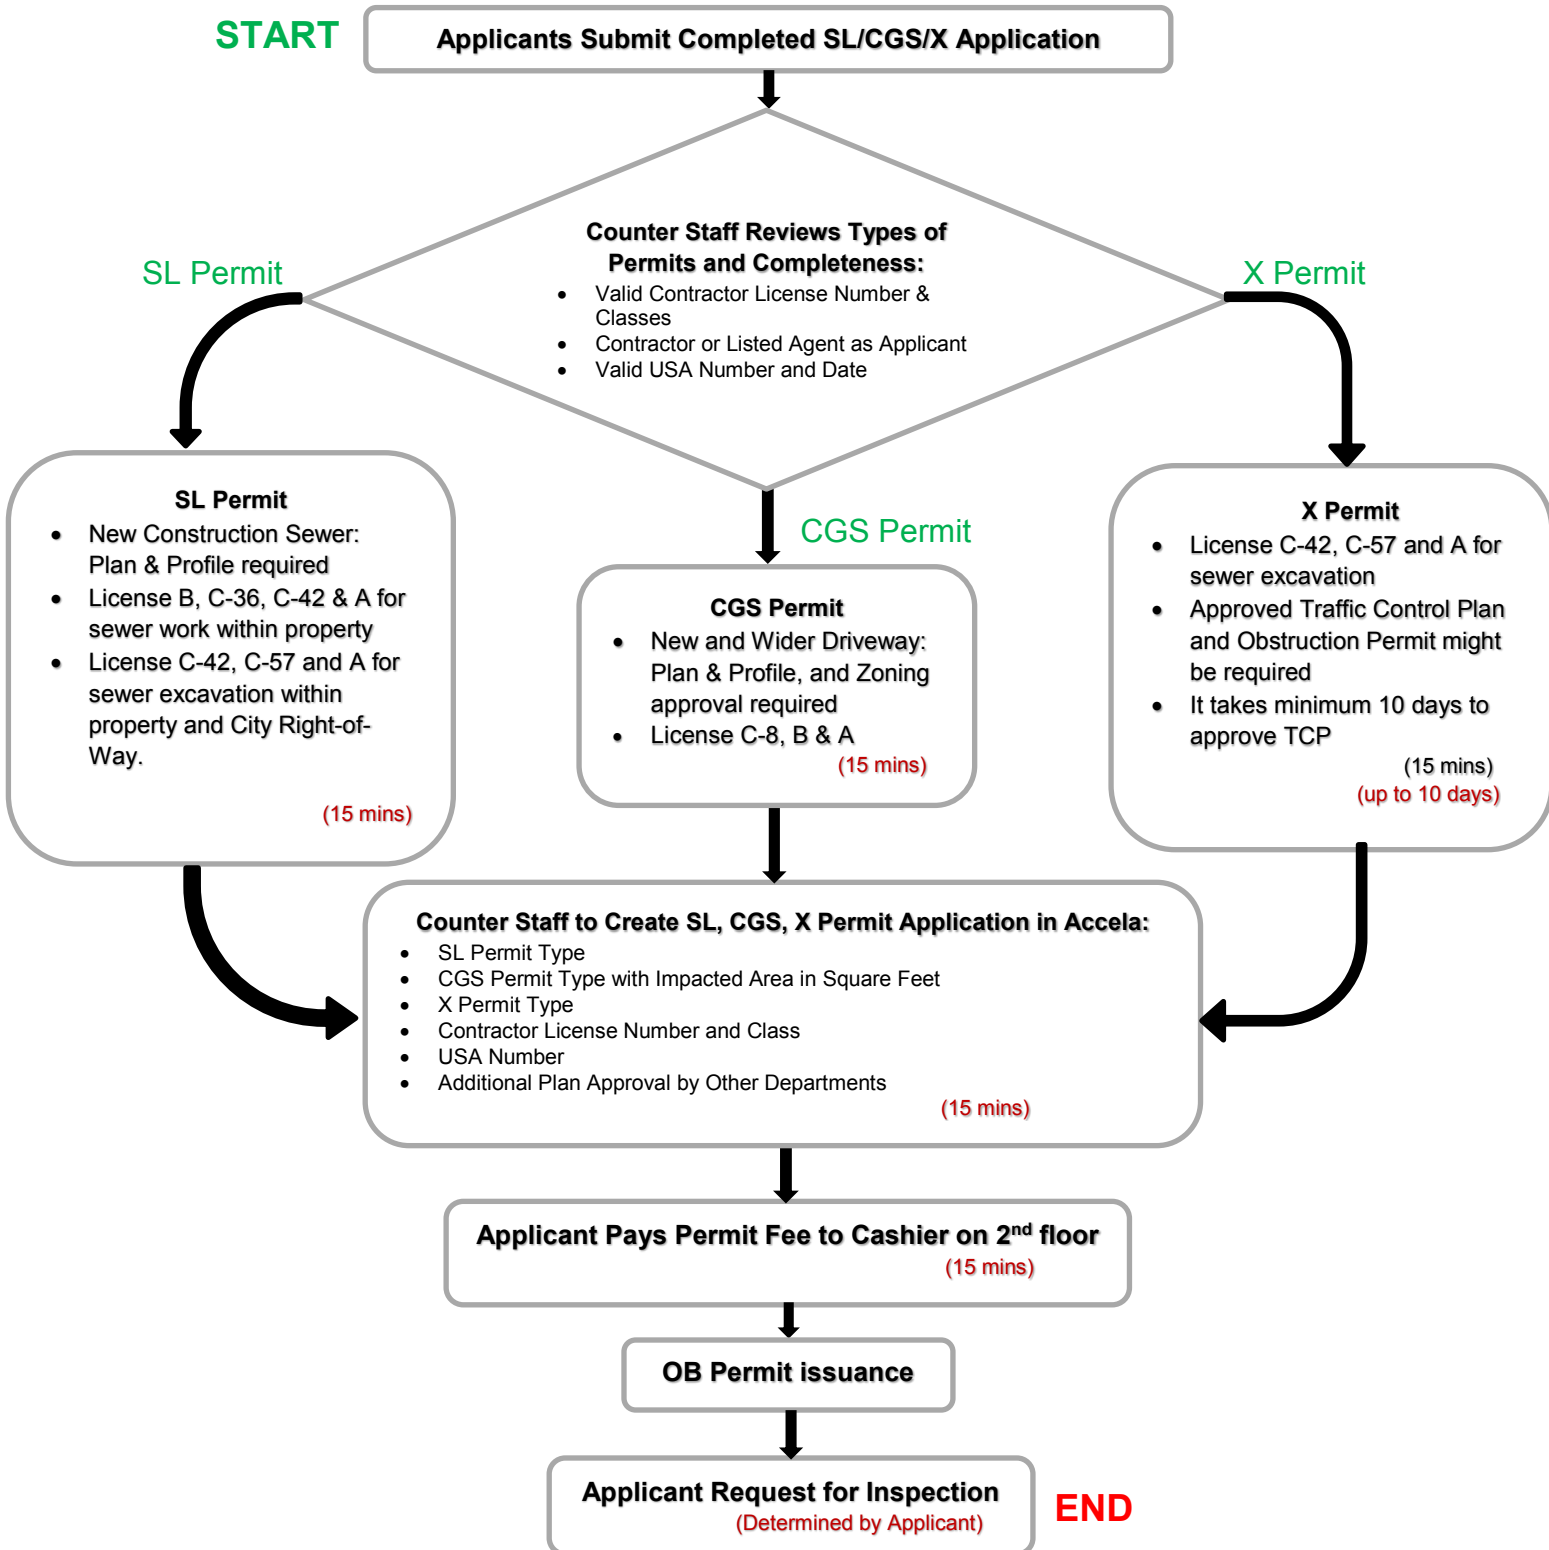

Answer: For SL Permits, call 510-238-3961 or email pwa_inspects@oaklandnet.com for inspections two business days prior to construction. For CGS and X permits, call 510-238-3860 or email pwa_inspects@oaklandnet.com for inspections two business days prior to construction.

12. How can I contact USA (Underground Service Alert)?

Answer: USA is Underground Service Alert (USA) and 811 is the phone number to call before digging to protect yourself and others from unintentionally hitting underground utility lines. USA numbers are required in SL/CGS/X permit applications.

**WHAT ARE THE STEPS TO OBTAIN SEWER LATERAL (SL), CURB GUTTER
 SIDEWALK (CGS) AND EXCAVATION (X) PERMITS ?**

These are over the counter permits and issued the same day but if sidewalk is closed or traffic control plan is required, the permit may take up to 10 days for review.

HOW FEES ARE CALCULATED FOR SL, CGS, and X PERMITS
