**In your communications, please indicate the case number (which is identified on each notice) so the case Planner can identify what project you're commenting about.**

A decision will be made on the application after this date. If you decide to appeal the Zoning Manager's decision or challenge the application in court, you will be limited to issues raised in written correspondence or email and delivered to the Zoning Division on, or prior to the end of the public comment period as indicated above. If you wish to be notified of the decision of any of these cases, please provide the case Planner with an email address.

Except where noted, once a decision is reached by the Zoning Manager on these cases, they are appealable to the Planning Commission. Such appeals must be filed within ten (10) calendar days of the date of decision by the Zoning Manager and by 4:00p.m. An appeal shall be on a form provided by the Bureau of Planning-Zoning Division and submitted electronically to the Case Planner. Failure to file a timely appeal will preclude you from challenging the City's decision in court. The appeal itself must raise every issue that is contested along with all the arguments and evidence previously entered into the record during the previously mentioned public comment period described above. Failure to do so will preclude you from raising such issues during the appeal hearing and/or in court.

Please help us achieve wider notification by alerting your friends and neighbors if you believe they would be interested in any of the cases listed below.
