
CITY OF OAKLAND POLICY ON ARTIST & COMMUNITY INITIATED PUBLIC ART PROJECTS

City of Oakland Public Art Program staff and the Public Art Advisory Committee must review and accept all projects within the Oakland city limits that will result in the placement of a work of art on City of Oakland property, as well as all public art projects funded in whole or in part with City funds, before such projects can be executed.

The artist and/or project sponsor will submit a proposal with work plan for review by the Public Art Advisory Committee (PAAC) prior to creation and/or installation of the artwork. The PAAC is a professionally qualified citizen committee appointed by the Mayor and approved by Oakland City Council to oversee the City's public art program and to advise the Mayor, City Council, and City Administrator on public art-related matters.

Review Process

With coordination from Public Art Program staff, the artist and project sponsor (including City staff, if applicable) shall present the project proposal to the PAAC at a scheduled public meeting. The PAAC typically meets on the first Monday of each month. Proposals must be submitted to Public Art staff for review at least two weeks prior to a confirmed meeting.

Please allow sufficient time for the PAAC review process. The PAAC cannot make a judgment on the proposal without all the required documentation. Allow additional time if the proposal requires approval from other departments or review boards for placement on City property prior to PAAC review. Art proposed for placement on Caltrans (State of California Department of Transportation) property requires a separate, additional approval and permitting process.

NOTE: Please consult with Public Art staff prior to finalizing the project budget. Projects requiring City staff facilitation may be subject to a review fee. The fee for projects requiring review by the Public Art Program is \$144.00/hour, effective 7/1/20. Note: Projects proposed for Caltrans and other public agency property require additional staff facilitation.

Following review of the proposal, the PAAC will make an advisory judgment regarding form, content, and feasibility of the artwork and will determine whether the proposed project meets technical standards for public art in the city of Oakland. Once the PAAC has made a judgment regarding the proposed project design, no design changes can be made by the artist and/or sponsor without returning for PAAC approval prior to implementation. **Please contact staff to schedule a review of your project proposal:**
