6. (T) In 2015, the City adopted an ordinance creating the Department of Race and Equity. Their mission is to create a city where our diversity has been maintained, racial disparities have been eliminated and racial equity has been achieved. Before taking this survey, how much had you read, heard or seen about this work by the City of Oakland? **(READ LIST)**

7. Through its budget, the City can invest more in equity for communities of color, that is, people who are African American, Latino, Asian or Pacific Islander, American Indian or Native American, or some other identity that is not white. With this in mind, between each pair I read you, please tell which you feel is the most important category of City programs and services to invest in to improve equity in Oakland.

NOW I'D LIKE TO ASK YOU ONE MORE QUESTION ABOUT THE CITY'S BUDGET.

8. Over the next couple of years, the City of Oakland will face tens of millions of dollars in budget shortfalls due to the economic impacts of the coronavirus pandemic. Unfortunately, to keep a balanced budget, the City will have to raise taxes and fees or make cuts to City services. Please listen carefully, as I am going to read you five potential options, and I would like you to tell me which you feel should be the City's top budget priority to keep a balanced budget. **(IF FIRST CHOICE MADE, ASK: And which should be the City's second priority?) (IF NO FIRST CHOICE MADE, MOVE ON TO NEXT QUESTION.) (READ CHOICES IN RANDOM ORDER)**

TOP 2ND
PRIORITY PRIORITY

- Raise taxes and fees on Oakland property owners----- 1----- 1
- Raise taxes on medium-to-large-sized Oakland businesses ----- 2----- 2
- Reduce spending on police services----- 3----- 3
- Reduce spending on City infrastructure, such as streets and roads ----- 4----- 4
- Reduce spending on community services, such violence prevention, arts, and recreation and senior programs----- 5----- 5
- (ALL/NONE/DK/NA)**----- 6----- 6

NOW I'D LIKE TO ASK YOU A FEW QUESTIONS ABOUT PUBLIC SAFETY AND POLICE SERVICES.

9. First, independent of the City's budget situation, do you feel the City should spend more or less **(RANDOMIZE)** on police officers patrolling neighborhoods and responding to 9-1-1 calls, or should they keep spending about the same amount? **(IF MORE/LESS, ASK: Is that a lot MORE/LESS or just a little MORE/LESS?)**

- A lot more----- 1
- A little more ----- 2
- About the same amount----- 3
- A little less ----- 4
- A lot less ----- 5
- (DON'T KNOW/NA)** ----- 6

10. Next, the City is currently considering reforms to how it maintains public safety. Some of these changes involve having professionals other than police officers respond to situations where public safety concerns are less urgent, which can sometimes include domestic disturbances and public nuisance complaints involving homeless residents and those suffering from mental illness. Keeping in the mind the need to balance the City's budget, which of the following three potential public safety reform options would you prefer? **(READ LIST AND REPEAT AS NEEDED; ROTATE TOP TO BOTTOM, BOTTOM TO TOP)**

Reducing the number of police officers and hiring other types of professionals handle these situations ----- 1

Maintaining the number of police officers and continuing to have them respond to these situations ----- 2

Increasing taxes and fees to both maintain the number of police officers and hire other types of professionals to respond these situations ----- 3

(DON'T KNOW/NA)----- 4

11. Next, I am going to read you a list of different situations in which the City could have employees other than police officers respond to in the future. For each one, I would like you to tell me whether you think it is extremely important, very important, somewhat important, or not too important to have employees other than police officers respond to. **(RANDOMIZE)**
