Chair Gangas' suggested changes to Draft Map F3 and Rationale

<https://districtr.org/plan/100924>

CVAP:

Black CVAP in C3 & A1 increased

Asian CVAP in B2 increased

Latinx CVAP in F5 increased

Black CVAP in F6 & G7 stay majority with a CVAP increase in G7

Preserve community cohesion:

Coliseum put back in G7 to be with community that has been civically engaged, keep businesses in coliseums together
Lake Merritt put back in 2 districts while also keeping other COI together - i.e. Black artists COI such as Molanga Center and BAMBD , Trestle Glenn, keep Westlake School in C3, Mosswood Park in C3

Note: C3 & B2 borders will need refinement given tool has a different formula for its population density
