1/21/2014	PTS	10/5/09 Site visited, verified that the deck is an old deck built on top of retaining wall and is quite old. Unable to verify that the deck was build over property line. A survey will determine where the property line is. Took photos. - I contacted the complainant Mr. Matt Fryer @282-1783, informed him that this is a civil matter btw. the neighbors. The deck seemed to be built at the same time as the house, no evidence of new work done. -The complainant house @ 6226 Valley View Dr., was build and final on 06/06/1996. Complainant's house was built years after the deck was build. - Case is closed. ->>> 10/09/2009 10:08:30 NGUYE#KV 0132
