**CITY OF OAKLAND**  
**MASTER FEE SCHEDULE**  
*Effective: July 7, 2021*

**DESCRIPTION AND PROCESS**

The Master Fee Schedule was established by the City Council in 1976. At that time, the Council passed Ordinance No. 9336 CMS that repealed all other references to fees and consolidated them within one document, the Master Fee Schedule. All new and revised fee proposals are reviewed by the Council and, if adopted, incorporated into this Schedule.

The FY 2021-22 Master Fee Schedule was adopted by the City Council on July 6, 2021, through Ordinance No. 13654 C.M.S. The Master Fee Schedule reflects the City's Policy on Fees and Charges, a copy of which is presented on the pages following the FY 2021-22 adopting ordinance.

The Finance Department is charged with the general maintenance of the Schedule. This includes reviewing requests to modify the document, periodic review of fees to assure that they are equitable and reflect the cost of services, and preparation of transmittals to the Council for recommended changes to fees.

In addition, all City Agencies have a role in fee schedule policies and maintenance. All Agencies and Departments that levy fees are responsible for:

1. Including all fees which are levied in the Master Fee Schedule;
2. Keeping updated copies of the Schedule available and in clear display;
3. Proposing fees which reflect the cost of services provided by the City; and
4. Providing for the annual revision of fees or proposing changes in fees consistent with the intent of the Master Fee Schedule.

There are two procedures for revising the Schedule: (1) During the biennial budget process or the Mid-cycle budget review; and (2) Outside of the budget process. During the budget process, Agencies / Departments submit proposed fee changes with their budget proposals. Fee revisions approved by the City Administrator and Mayor are presented to the Council and included in the legislation adopting the budget. At other times of the year, an Agency / Department may submit proposed revisions (by memorandum) to the Budget Office for review. Fee changes recommended by the Budget Director are forwarded to the City Administrator. If approved by the City Administrator, these requested fee changes are presented to the Council in the form of an ordinance amendment prepared by the requesting Agency / Department, accompanied by a staff report from the Agency / Department. All fee changes, regardless of time of the year, must be reviewed and approved by the Budget Office and the City Attorney's Office, and further authorized by the City Administrator for presentation to the Council. For both processes, specific public notification and procedures are mandated. A notice of a public hearing regarding the Schedule is published. In addition, the Office of the City Clerk will mail information regarding proposed modifications to any interested party who has filed a written request with the City Clerk for such notice. The Council then holds a public hearing regarding any proposed changes before adoption of revisions.

Ordinance No. 13654 adopted by the City Council at the June 15, 2021 City Council meeting

APPROVED AS TO FORM AND LEGALITY

  
CITY ATTORNEY'S OFFICE

**OAKLAND CITY COUNCIL**  
**ORDINANCE NO. 13654 C.M.S.**

---

**ORDINANCE AMENDING ORDINANCE NO. 13599 C.M.S. (WHICH ADOPTED THE FISCAL YEAR 2020-21 MASTER FEE SCHEDULE), AS AMENDED, TO ESTABLISH, MODIFY AND DELETE FEES AND PENALTIES ASSESSED BY OFFICES, DEPARTMENTS, BUREAUS, AND AGENCIES OF THE CITY OF OAKLAND REFERENCED HEREIN**

**WHEREAS**, the City of Oakland periodically amends and updates its Master Fee Schedule to account for the various cost increases relating to municipal programs, services and activities; and

**WHEREAS**, the City has experienced increases in the costs to operate and maintain municipal government citywide, and anticipates continuing cost increases; and

**WHEREAS**, the Animal Services Department, Department of Transportation, Oakland Parks, Recreation and Youth Development, Oakland Police Department, Oakland Public Library, Oakland Public Works, Office of the City Clerk, and the Planning & Building Department ("the Departments"), undertook analysis and evaluation of the revenue requirements to fund ongoing municipal services, programs and activities and the fee structure necessary to proportionately allocate the costs of providing these government services and programs; and

**WHEREAS**, the Agenda Report accompanying this ordinance, including Attachments A-1, A-2, A-3, A-4, A-5, A-6, A-7, and A-8 provided by staff of the Departments in support of the amendments to this ordinance, ("the Agenda Report") includes descriptions of proposed amendments to fees and charges, and the facts and analysis in support thereof; and

**WHEREAS**, the investigations conducted by staff of the Departments reflected in the Agenda Report show that existing revenues are and will be insufficient to cover the current and projected costs of operating and maintaining identified City government activities, services and programs; and

**WHEREAS**, the fee modifications and additions proposed by the Departments are attached hereto as *Exhibit A*; and

**WHEREAS**, the Agenda Report shows that those proposed fees and charges that are imposed for a specific government service, benefit or product, or regulatory program are provided

directly to the payer and not provided to those not charged, and do not exceed the reasonable costs to the City of providing the service, benefit or product, or regulatory program; and

**WHEREAS**, this action is exempt from review under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b)(3) (general rule for projects that have no direct or reasonably foreseeably indirect physical change to the environment);

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF OAKLAND DOES ORDAIN AS FOLLOWS:**

**SECTION 1. Recitals.** The City Council finds and determines that the foregoing recitals are true and correct and are hereby incorporated herein as findings and determinations of the City Council.

**SECTION 2. Findings.** Based upon all written and oral reports and presentations to Oakland City Council, including the Agenda Report, the City Council finds and determines that the proposed modifications and additions to the Master Fee Schedule set forth herein are necessary to reimburse the City for the costs of performing the various municipal functions.

**SECTION 3. Master Fee Schedule.** The FY 2020-2021 Master Fee Schedule as set forth in Ordinance Number 13599 C.M.S. as amended, is hereby amended to modify and establish fees assessed by the Departments as set forth in *Exhibit A*, attached hereto, incorporated herein and made a part hereof, effective July 1, 2021. Fees not shown in *Exhibit A* are not changed.

**SECTION 4. California Environmental Quality Act.** This action is exempt from review under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b)(3) (general rule for projects that have no direct or reasonably foreseeably indirect physical change to the environment).

**SECTION 5. Severability.** If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the Chapter. The City Council hereby declares that it would have passed this Ordinance and each section, subsection, clause or phrase thereof irrespective of the fact that one or more other sections, subsections, clauses or phrases may be declared invalid or unconstitutional

**SECTION 6. Effective Date.** This ordinance shall become effective immediately on final adoption if it receives six or more affirmative votes; otherwise it shall become effective upon the seventh day after final adoption.
