8. APPEALS

a) T19-0007, Cortez v. Qmacin

Appearances: Joshua Baker Owner Appellant Representative

Jill Broadhurst Owner Appellant Representative

Xavier Johnson Tenant Representative

The issue was whether the hearing officer abused her discretion in finding that the owner's response was untimely and that the RAP notice was not served before March 2019. The owner contended that they counted the response time from the date of the postmark on the envelope, and there is Board precedent noting the postmark on the envelope and allowing submission of evidence. The owner stated they had a witness ready to testify that the RAP notice was served in 2016.

The owner further contended that the tenant brief is inaccurate, and there was no lease negotiation in Spanish pursuant to Civil Code §1632 as the owner does not speak Spanish. There is also a discrepancy in the parking and utility charges on bate stamp 110, page 10 of the hearing decision.

The tenant representative contended that the deadline is based on the proof of service, which is 30 days after mailing, and the hearing officer did not abuse her discretion. The tenant speaks Spanish, and sometimes children speak some English and Spanish, but one cannot rely on this. The language is deemed to be Spanish.

The owner representative on rebuttal stated that the filing was only 3 days late, there was no impact on the tenant, and exclusion of the owner is significant, leading to a finding in conflict with the evidence. The tenant has no children, so the issue of a child interpreter is irrelevant. The original discussions were in English, not Spanish.

The tenant representative on rebuttal stated that the proof of service date is dispositive, and the hearing officer has discretion in determining that the lease was not provided in Spanish.

After arguments and rebuttal made by both parties, Board questions to the parties, and Board discussion, A. Graham moved to affirm the hearing decision based on substantial evidence. R. Nickens Jr. seconded.

The Board voted as follows:

Aye: R. Auguste, R. Nickens, Jr., A. Graham, S. Devuono-Powell, J. Ma Powers,
Nay: K. Friedman, T. Williams
Abstain: None

The motion carried.

a) T19-0403, T19-0238, Didrickson v. Commonwealth Co. Inc.

Appearances: Glenda & Carlos Didrickson Tenant Appellants

T19-0403

The tenants failed to attend the hearing. The tenants contended that they did not receive notice of the hearing, and that the notice was sent to the wrong address, a copy was attached to the appeal and was not in the Board packet. They only received a notice of the dismissal. Also, bate stamp page 235 contains extraneous material, and there is a gap of 2 or 3 pages on bate stamp page179.

The owner contended that the tenants are serial litigants, the contested rent increase is an allowed CPI 3.5% increase and there is no reason to re-hear this case.

After arguments and rebuttal made by both parties, Board questions to the parties and Board discussion, A. Graham moved that the Board find good cause for the tenants' non-appearance and remand the case to the hearing officer for a full hearing on the merits. R. Nickens, Jr. seconded.

The Board voted as follows:

Aye:	R. Nickens, Jr., R. Auguste, A. Graham, S Devuono-Powell, J. Ma Powers, K. Friedman, T. Williams
Nay:	None
Abstain:	None

The motion was approved by consensus.

T18-0238

The tenants contended that a 1% reduction for a tarp covering their window is insufficient, stating that their neighbor was awarded a 5% reduction.

The owner contended that neighbor's window was a large picture window, which constituted the main view in the living room.

After arguments and rebuttal made by both parties, Board questions to the parties and Board discussion K. Friedman moved to affirm the hearing decision granting the 1% reduction. T. Williams seconded.

The Board voted as follows:

Aye:	R. Nickens, Jr., R. Auguste, A. Graham, S. Devuono-Powell, J. Ma Powers., K. Friedman, T. Williams
Nay:	None
Abstain:	None

The motion was approved by consensus.

b) L17-0061, Feiner v. Tenants

Appearances: Michael Feiner Owner Appellant
No appearance by tenants

The issue is whether a single-family residence which is part of a three-unit building is exempt from the Rent Ordinance on the grounds of new construction or substantial rehabilitation. The two other units were found to be exempt on the grounds of new construction.

The owner contended that there is no landlord-tenant dispute and no tenant has opposed the exemption. There is no harm or hardship on the tenants, only on the landlord, which is the result of checking the wrong box on the form based on information provided by the RAP staff. This is a unique circumstance and the Board can remedy this by ruling in his favor. The original home was exempt. The Board can say this is a single-family residence with a duplex or this building is a new triplex.

Additionally, the hearing officer found that the owner's receipts met the threshold for an exemption based on substantial rehabilitation, and the case cited in the appeal summary, Bergen v. Tenants, is not relevant as this property was not rented.

After arguments and rebuttal made by both parties, Board questions to the parties and Board discussion, T. Williams moved to affirm the hearing decision based on substantial evidence and R. Auguste seconded the motion.

The Board voted as follows:

Aye: R. Nickens, Jr., R. Auguste, A. Graham, S Devuono-
Powell, J. Ma Powers., K. Friedman, T. Williams
Nay: None
Abstain: None

The motion was approved by consensus.

9. INFORMATION AND ANNOUNCEMENT

a) Report by City Attorney's Office on Court Decision
in Arnold v. Farley-Levine Properties, LLC- Cynthia Stein

The court granted a writ of administrative mandate, vacating the Rent

Board rulings denying capital improvements on the ground of deferred maintenance, and the seismic improvements were not included in the permits. The Court found that a majority of the items constituted capital improvements. The Judge determined that although the laundry room machines were coin operated, portions of the improvements were capital improvements, constituting infrastructure as the room housed other equipment.

The judge found that invoices and credit card statements were sufficient to show proof of work and payment, and regarding deferred maintenance, a report by a professional is insufficient. The issue is what a reasonable person would observe upon an inspection of the property. A reasonable inspection is less than a professional inspection. Foundation and structural issues do not put the owner on notice unless the condition is visible to the naked eye.

10. ADJOURNMENT

The meeting was adjourned at 8:15 p.m. by consensus.

Mediation is an entirely voluntary process to assist you in reaching an agreement with your tenant. In mediation, the parties discuss the situation with someone not involved in the dispute, discuss the relative strengths and weaknesses of the parties' case, and consider their needs in the situation. Your tenant may have agreed to mediate his/her complaints by signing the mediation section in the copy of the petition mailed to you. If the tenant signed for mediation and if you also agree to mediation, a mediation session will be scheduled before the hearing with a RAP staff member trained in mediation.

If the tenant did not sign for mediation, you may want to discuss that option with them. You and your tenant may agree to have your case mediated at any time before the hearing by submitted a written request signed by both of you. If you and the tenant agree to a non-staff mediator, please call (510) 238-3721 to make arrangements. Any fees charged by a non-staff mediator are the responsibility of the parties that participate. You may bring a friend, representative or attorney to the mediation session. Mediation will be scheduled only if both parties agree and after your response has been filed with the RAP.

If you want to schedule your case for mediation and the tenant has already agreed to mediation on their petition, sign below.

Should this right be exercised by either Owner or Tenant, then rent for the current month shall be prorated between the parties as of the date the damage occurred and any prepaid rent shall be refunded to Tenant accordingly.
- 28. **CONSENT OF OWNER.** Wherever in this agreement Owner is expressly required to give consent or approval, such consent or approval may be given or withheld in the sole and absolute discretion of Owner unless otherwise expressly stated. The foregoing work to be performed by Tenant is based upon the mutual agreement of Owner and Tenant that the monthly rent charged for the premises is below market value and that the work to be performed by Tenant as set forth above reflects Owner's and Tenant's mutual determination that such work of improvement, maintenance and repair is equivalent to the difference between market value as so repaired, maintained and improved and current rental value. Tenant acknowledges that but for Tenant's undertaking as hereinabove set forth, Owner would not rent the premises to Tenant.

- 33. **APPLIANCES AND FURNISHINGS.** Tenant acknowledges that the premises are unfurnished and that Owner does not provide any appliances and/or furnishings such as stove, refrigerator, screens, draperies and screen doors. Your case has been assigned Case No. **T20-0143**
The case title and file name is **Wheaton v. Ngo**
The Analyst assigned to your case is **Robert Costa at (510) 238-2079**

The Rent Adjustment Program received the petition(s) attached to this letter on April 17, 2020. One or more of your tenant(s) are protesting one or more rent increases alleging that they exceed the maximum rent permitted by Oakland Municipal Code Chapter 8.22. For details please see the attached copy of the petition.

YOU MUST FILE A WRITTEN RESPONSE TO THE ATTACHED TENANT PETITION(S) WITHIN THIRTY-FIVE (35) DAYS FROM THE DATE OF MAILING OF THIS NOTICE OR A DECISION MAY BE MADE AGAINST YOU. THE RESPONSE MUST BE FILED ON THE PROPER FORM AND MUST BE RECEIVED AT THE CITY OF OAKLAND'S RENT ADJUSTMENT PROGRAM OFFICE ON OR BEFORE THE DUE DATE. The proposed rent increase is not effective until the decision in this case is final. If the amount of the current CPI increase is stated separately in the notice of increase, the tenant must pay the current CPI increase.

Oakland Municipal Code Chapter 8.22 (Rent Adjustment Ordinance) limits the annual permissible rent increases that can be imposed on a rental unit covered by the Ordinance. If a unit is voluntarily vacated, or the tenant is evicted for cause, the rent may be raised without restriction upon re-renting. The new tenancy is again subject to the rent increase limitations in the Ordinance.

The Ordinance requires that you provide a written notice of the existence of the Residential Rent Adjustment Program to tenants in covered units at the start of the tenancy. You must use the Rent Adjustment Program form titled "Notice to Tenants of the Residential Rent Adjustment Program". This document is also called the "RAP Notice". The Ordinance also requires that you serve the same notice together with all notices of rent increase and all notices of change in terms of tenancy.

Rent increases less than, or equal to, the annual CPI increase need not be justified. Rent increases in excess of the annual CPI increase may be justified on one or more of the following grounds:

000047

The following are summaries ONLY. For complete information, please see Oakland Rent Adjustment Ordinance and the Rent Adjustment Regulations. You may call the Rent Program Office to have your questions answered or to obtain a written copy of the Ordinance and Regulations.

1. EXEMPTION: (OMC Section 7.22.030)

The landlord may prove exemption from application of the Oakland Rent Adjustment Ordinance. The exemptions are found in the Rent Adjustment Ordinance. The most common exemption is that the unit is government subsidized housing. Other common exemptions are for units constructed after January 1, 1983 (new construction) and single family houses exempt under the Costa Hawkins Rental Housing Act. See the Ordinance for a complete list and details.

2. CAPITAL IMPROVEMENT/UNINSURED REPAIR COSTS: (Regulations Section 10.)

Capital improvements increases may only be granted for improvements that have been completed and paid for within the 24-months immediately before the effective date of the proposed rent increase. To justify a rent increase for capital improvements expenditures or uninsured repair expense you must provide, at least 7 days prior to the Hearing, copies of receipts, invoices, bid contracts or other documentation showing the costs were incurred to improve the property and benefit the tenants, and evidence to show that the incurred costs were paid. The owner can only pass through 70% of costs incurred and may not increase the rent more than 10%.

2. INCREASED HOUSING SERVICE COSTS: (Regulations Section 10.)

Housing Service Costs are expenses for services provided by the landlord related to the use or occupancy of a rental unit. In determining whether an increase in housing service costs justifies a rent increase in excess of the annual CPI increase, the annual operating expenses related to the property for the most recent two years are compared. Year two costs must exceed year one costs by more than the current annual increase. The expenses considered include property taxes, business license/taxes, and insurance, P.G. & E., water, garbage, maintenance and repairs, managerial costs and other legitimate annually recurring expenses to operate the rental property, except debt service. Evidence is required to prove each of the claimed housing costs.

3. BANKING/RENTAL HISTORY:

"Banking" refers to deferred annual general rent increases (CPI increases) that were not imposed, or were not imposed in full, and carried forward to future years. Subject to certain limitations, imposition of annual general increases may be deferred up to 10 years. After 10 years, general increases that were not imposed, expire. Evidence of the rental history of the subject unit is required.

4. NECESSARY TO MEET CONSTITUTIONAL FAIR RETURN REQUIREMENTS:

In order to prove that the owner is entitled to a rent increase based on constitutional fair return an owner must establish that the return on the investment is less than the return that would have been received for an investment of similar risk. At a minimum, proof of the amount of investment, evidence of the return from other investments of similar risk and an analysis of the rate of return from the rental property, including an appreciation in the value of the property, are required.

5. DEBT SERVICE:

Debt service has been eliminated as a reason for a rent increase effective April 1, 2014. However, if an owner made a bona fide offer to purchase property before April 1, 2014, a debt service rent increase may be approved. An increase in rent based on debt service costs will only be approved in those cases where the total property income is insufficient to cover the housing service costs and 95% of the debt service costs for purchase money for mortgages secured by the subject property. Eligible debt service

costs are the actual principal and interest applicable to the property.

Additional Requirements

- 1. have a current Oakland Business License**
- 2. be current on payment of the Rent Adjustment Program's Service Fee**
- 3. file a timely response on the Landlord Response form and submit the required**

If you wish to review all documents filed, you are entitled to review the file at the Rent Adjustment Program Office. **Copies of attachments to the petition will not be sent to you. HEARING DECISION

CASE NUMBER: T20-0143, Wheaton v. Ngo
PROPERTY ADDRESS: 4428 MacArthur Blvd., Unit #A, Oakland, CA
DATE OF HEARING: October 13, 2020
DATE OF DECISION: December 11, 2020
APPEARANCES: Valarie Wheaton, Tenant
Lien Ngo, Owner

SUMMARY OF DECISION

The tenant petition is denied.

CONTENTIONS OF THE PARTIES

On April 17, 2020, tenant Valarie Wheaton filed a tenant petition alleging code violations and serious problems with the condition of the rental unit.

On June 18, 2020, the owner Lien Ngo filed a timely response, alleging that the tenant was not current on her rent as of April 2020 and that the tenant caused the problems in the rental unit alleged by the tenant in her petition.

THE ISSUE

- (1) Have the tenant's housing services been decreased, and if so, by what amount?

EVIDENCE

Background

The tenant testified that she moved into the subject unit on June 1, 2017, at the initial rent of \$1,600.00 per month. There was no pending rent increase.

000064

The owner acquired the building on January 3, 2014. The subject unit is located in a residential building consisting of four (4) residential unit. The owner submitted a signed copy of the Residential Lease Agreement dated June 1, 2017.¹

The owner testified at the hearing that he never gave a rent increase and that the tenant did not pay any rent in April of 2020 when she filed her petition. The owner submitted copies of checks, showing monthly rent payments of \$1,600.00 for several months and one partial rent payment of \$1,450.00 in June of 2018.²

Serious Problems with the Conditions of the Rental Unit

The tenant testified that her toilet would always get clogged up. She testified that the owner would respond each time and would always come and fix it the next day but then it would happen again and again. The owner testified that every time the plumber came to snake it, he pulled out wipes and tissues, even though they told the tenant not to flush wipes and tissues down the toilet.

The owner testified she replaced the entire plumbing system, including new sewer line for \$9,000.00 in 2018 and eventually replaced the tenant's toilet in 2020.

Notice of Violation

The City of Oakland issued a Notice of Violation on April 29, 2020, which states that the subject unit is an undocumented/unapproved unit that was constructed without appropriate permits and that the owner needs to provide approved documents, obtain required zoning approvals, permits and inspections to legalize the unit or remove it.³ The tenant testified that the unit was built without permits and continues to occupy it while the owner testified that she is being taken advantage of as the owner is in violation with the City of Oakland but the tenant would not cooperate to let the owner make the necessary work to either legalize the unit or dismantle it.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Notice of Violation/Decreased Housing Services

Under the Oakland Rent Ordinance, a decrease in housing services is considered to be an increase in rent⁴ and may be corrected by a rent adjustment.⁵ However, in order to justify a decrease in rent, a decrease in housing services must be the loss of a service that seriously affects the habitability⁶ of a unit or one that was

¹ Exhibit A

² Exhibit B

³ Exhibit C

⁴ O.M.C. §8.22.070(F)

⁵ O.M.C. §8.22.110(E)

⁶ *Green v. Superior Court* (1974) 10 Cal. 3d 616 at p. 637

provided at the beginning of the tenancy and is no longer being provided, or one that was contracted between the parties.

In a decreased services case, the tenant has the burden of proving decreased housing services by a preponderance of the evidence and must establish she has given the owner notice of the problems and the opportunity to fix the problems before she is entitled to a relief.⁷

Toilet: It is undisputed that the owner responded each time the tenant called the owner about the clogged toilet. The owner initially used snake to drain the toilet but eventually replaced the plumbing system and the sewer line. The owner acted reasonably to address the problem. Therefore, this claim is denied.

Undocumented Unit: Per Notice of Violation, the owner was instructed to either remove the unit or legalize it by obtaining necessary approvals, inspections and permits. In order to do that, the owner needs to access the unit and the tenant does not cooperate and denies access. The tenant cannot get a decrease in rent while she is preventing the owner to access the unit to do the necessary work ordered to correct the notice of violation. Therefore, this claim is denied. If the tenant continues to deny access, the owner may pursue other course of action in the Court of Law.

ORDER

1. The Tenant Petition T20-0143 is denied.
2. The claims for decreased housing services are denied.

Right to Appeal: **This decision is the final decision of the Rent Adjustment Program.** Either party may appeal this decision by filing an appeal using the proper RAP form, which must be received within 20 days after service of the decision, shown on the attached Proof of Service.

The hearing Officer Linda M. MOROZ IS Racist and Bias !! She deliberately lied to rule in the owner favor. 1st off the rental Agreement Lien Ngo turned in was forged that is not my signature. The reason rent wasn't paid in April is because I had to take off work for 2 weeks so Lien Ngo and her dad could fix the ~~toilet~~ toilet. I was unable to cook for 3~~0~~ days because Lien unhooked the stove and moved it so that her dad could dig out the broken pipe. The reason Lien received 1450.00 in junk is because Lien said I could take off 150.00 in rent when she changed her mind. She told the hearing officer Linda Moroz she said that. The hearing officer Linda Moroz lied and said I said Lien would come fix the toilet the next day no I said it would sometimes be 2 days later one time it was a week before she came to fix it. The hearing officer Linda Moroz lied and said Lien said it was always wipes in the toilet I told hearing

Officer That's a lie I don't even buy wipes. The dad is the one who came and snaked toilet with Lien there was never a plumber. The hearing officer lied and said Owner replaced sewer line NO she didn't The hearing officer asked Lien did she fix the sewer line and Lien said No I only took out enough pipe to snake. I sent in a picture of the pipe Lien took out. No Lien did not replace the toilet in 2020 The hearing officer also lied and said that I wouldn't let Lien in to do work after the city inspected the unit That's a lie Lien never contacted me after she received the letter from city inspector plus the hearing officer never asked her about the inspection. I sent the hearing officer more than enough evidence and she completely ignored it all. I'm appalled and livid how the hearing officer LINDA MOROZ lied to rule in Lien Ngo favor I'm requesting a copy of the recorded hearing that took place

11 liable, in whole or in part, for the damages and injuries suffered by Plaintiff.
12

13 5. This court is the proper court because Defendants do business in its jurisdictional
14 area, the damage to Plaintiff occurred within its jurisdictional area.
15

16 6. Plaintiff is informed and believes, and thereon alleges, that at all relevant times,
17 Defendants were Plaintiff's landlords, and Plaintiff were the tenants of Defendant as those terms,
18 "landlord" and "tenant" are defined under California Common Law, under California Code of
19 Civil Procedure § 1161 et seq. and under California Civil Code § 1980.
20

21 7. On or about June 11, 1997, Plaintiff, as tenant, and previous owner, as owner
22 and/or agent and/or lessor, entered into a written agreement to rent the premises located at 3114
23 Ashbrook Ct, Oakland, Ca 94601 to Plaintiff. Such address is hereinafter referred to as the
24 "**Subject Premises**". Fatima McQuillon began living at the Subject Premises at this time. The
25 material terms of this rental agreement were that Plaintiff pay previous owner \$700.00 a month
26 for rent.
27
28

1 8. Defendant named herein were the owners and/or property managers or the agents
2 and/or employees of the owners and/or property managers of the Subject Premises during all
3 time periods relevant herein.
4

5 9. Throughout Plaintiff tenancy several substantial habitability defects existed in the
6 Subject Premises which rendered the Subject Premises unfit for human occupancy under
7 California common law and statutes. The defects were due to the Defendant failure to maintain
8 the Subject Premises during their relevant periods of ownership and/or management of said
9 Subject Premises. These substantial habitability defects existed in Plaintiff unit and together and
10 separately constituted violations of applicable housing laws, including but not limited to the
11 Oakland Housing and Building Codes, California Civil Code §§ 1941.1, 1942, and Health and
12 Safety Code §§ 17920, 19210, and 13133.7.
13

14 10. Said defective conditions included, but were not limited to, the following which
15 came into existence within a short period of time after the beginning of Plaintiff tenancy, and
16 which continued to exist unabated throughout Plaintiff tenancy: harassment, illegal rent increases
17 and mold/mildew.
18

19 11. Plaintiff moved into the unit in June 10, 1997 at an initial rent of \$700.00 a
20 month.
21

22 12. Plaintiff's original lease agreement was with previous owner Cryer Co. In 2012
23 Defendant Triple Good Investment & Management LLC bought the property. In 2017 Defendant
24 American Liberty Investments, LLC bought the property from Defendant Triple Good
25 Investment & Management.
26

27 13. Plaintiff has paid her rent faithfully for over 20 years despite the multiple rent
28 increases imposed on her by Defendants.

1 14. On July 11, 2012 Plaintiff and Defendant Triple Good Investment &
2 Management LLC entered into a lease agreement adding a garage space to her lease. To add the
3 parking space to her lease Plaintiff was to pay Defendant an additional \$100.00 in rent, making
4 her total in rent \$876.00. On September 2, 2014 Defendant Triple Good Investment &
5 Management LLC sent Plaintiff a letter notifying her rented premises were going to be increased
6 from \$876.00 to \$1076.00, Defendant's letter states that Plaintiff's total rent included her garage
7 and unit. However, once Defendant American Liberty Investments, LLC bought the property
8 they raised Plaintiff's rent by illegally separating her garage spaces from her unit. Defendant
9 American Liberty Investments, LLC has attempted to unlawfully increase Plaintiff's rent on four
10 separate occasions through her storage spaces. On March 01, 2018 Defendant American Liberty
11 Investments LLC raised Plaintiff's rent to \$948.70, then in November 01, 2017 Defendants
12 American Liberty Investments LLC raised Plaintiff's rent to \$971.42. On January 01, 2019
13 Defendants American Liberty Investments LLC raised the rent on both garages that were part of
14 Plaintiff's lease agreement; for garage #5 the rent was increase from \$100 to \$110, for garage #2
15 the rent was raised from \$100 to \$195.

17
18

19 15. Plaintiff has made several requests for repairs regarding mold and mildew.
20 Plaintiff first made a request for repairs in on April of 2012, but no repairs were made by
21 Defendant. Plaintiff submitted another Maintenance Request on August 08, 2017; Defendants
22 ignored Plaintiff's requests and continued to charge her full rent. Plaintiff contacted Indoor
23 Restore Environmental Services and they went out to inspect Subject Property on March 7, 2018.
24 The inspectors from Indoor Restore found mold growth and water damage under kitchen sick
25 shelf, on kitchen window, living room carpet, window in living room, exterior walls under
26 windows, carpet and pad inside bedroom, windows inside bedroom and inside bathroom. On
27
28

1 August 31, 2018 RAP Hearing officer Barbara Cohen also inspected Plaintiff's unit and found
2 evidence of mold and mildew throughout Subject Property. Officer Cohen reported seeing the
3 following; signs of mold and mildew in carpet by entry-way, in living room windows, bathroom
4 ceiling and kitchen cabinets. To this day Plaintiff continues to live with mold and mildew in her
5 home.
6

7 16. Due to her ignored requests for repairs and continued rent increases Plaintiff
8 submitted a petition to the Oakland Rent Adjustment Program on February 21, 2018. The RAP
9 Hearing Decision was made on September 20, 2018 which partly granted Plaintiff's petition
10 reducing her rent from \$1,199.00 to \$881.00 for reduced housing services. The RAP Hearing
11 Decision stated that Plaintiff overpaid \$1,199.00 which was to be repaid to her in the span of 12
12 months. To this day Plaintiff has not been repaid the \$1,199.00 by Defendant.
13

14 17. On January 30, 2019 Defendant American Liberty Investments LLC sent Plaintiff
15 a letter notifying her that starting March 01, 2019 her rent would be increased from \$881.08 to
16 \$1,295.08. To this day Defendants have not repaid Plaintiff the \$1,199.00 owed to her and have
17 continued to ignore her requests for repairs while at the same time collecting and increasing her
18 rent.
19

20 18. Plaintiff is informed and believe and thereon alleges that Defendants violated
21 health & safety code section 17920.3 and 17920.10 because Defendant allowed the subject
22 property to contain hazardous fluids and materials, lack adequate weatherproofing, and to be
23 substandard in every way identified herein and as defined by the applicable statutes.
24

25 19. All defendant had adequate opportunity and notice to repair said defects prior to
26 Plaintiff filing this complaint. Defendant failed and refused and continue to fail and refuse to
27 repair the defects in Plaintiff unit.
28

1 40. None of the defective conditions at the Subject Premises were caused by any act
2 of omission the of Plaintiff.

3
4 41. Defendant failed to abate all the conditions listed in the notices sent by the City
5 of Oakland, and after more than 35 days had elapsed from service of the notices, Defendant
6 continued to attempt to collect rent from the plaintiff.

7 42. Defendant violated the above-referenced statutes by failing and refusing to make
8 the cited repairs to the Subject Premises, and by collecting rent despite actual notice of the
9 substandard conditions and statutory habitability violations. Defendant also engaged in
10 retaliatory conduct in response to Plaintiff law enforcement of their rights as tenants, by refusing
11 to make repairs to Plaintiff unit and by refusing to offer Plaintiff an appropriate rent reduction in
12 light of the substantial habitability defects.

13
14 43. Despite knowing the Subject Premises was not compliant with California Civil
15 Code section 1941, and in violation as determined by the City of Oakland, Defendant demanded
16 and collected rent from Plaintiff during their tenancy even though such defects existed and were
17 not repaired or abated within 35 days.

18
19 44. Plaintiff suffered out of pocket expenses and spent their time attempting to
20 resolve the problems existing in their unit. Plaintiff suffered emotional distress as a result of
21 Defendant knowing refusal to repair the substantial defects in their unit. Defendant intended by
22 their acts to cause, knew to a substantial certainty that their acts would cause, or acted in reckless
23 disregard of the consequences of their acts, so as to cause the damage and injuries to Plaintiff.

24
25 45. Wherefore Plaintiff prays for the damages stated below.

26
27 **FIFTH CAUSE OF ACTION**
28 **BREACH OF CONTRACT - CAL. CIVIL CODE §3300 et seq.**

12 surrounding common areas in retaliation against Plaintiff for engaging in the protected activity of
13 demanding repairs.

18 55. Plaintiff suffered out of pocket expenses, emotional distress and other general and
19 special damages in an amount to be proven at trial as a direct and proximate result of Defendants'
20 retaliatory conduct.

27 57. Plaintiff re-allege and incorporate into this cause of action the allegations of the
28 preceding paragraphs, as if the same were set out at length herein.

1 58. All Defendant created a nuisance on the Subject Premises by interfering with
2 Plaintiff use and enjoyment of the Subject Premises by allowing the conditions named above,
3 and others, to exist after being informed of their existence and being given an ample opportunity
4 to correct these conditions.
5

6 59. The aforementioned conditions were harmful to Plaintiff health, and/or offensive

22

23 62. As a direct and proximate result of Defendant' failures, Plaintiff suffered damages
24 as specified throughout this complaint.
25

4 the Subject Premises had an obligation to maintain the Subject Premises and to perform repairs
5 in a reasonable and safe manner. As a tenant, Defendant owed Plaintiff a duty of care which
6 encompassed maintaining the Subject Premises and performing repairs in a reasonable and safe
7 manner. During the statutory period, Plaintiff suffered physical, mental and emotional injuries
8 due to the dangerous conditions of the Subject Premises.
9

10 66. Defendant had ownership, and/or control of the subject property at the time of
11 Plaintiff injury. Prior to Plaintiff injuries Defendant knew, or should have known, about the
12 dangerous conditions and that exposure to the conditions was, and is, a health hazard and/or in
13 fact injured or contributed to the injury of Plaintiff.
14

15 67. Defendant did not remedy the condition before Plaintiff suffered emotional
16 distress and physical injury. Defendant had the ability and opportunity to warn of the dangerous
17 conditions, but did not warn nor give Plaintiff notice of the dangerous conditions that caused or
18 contributed to their injuries.
19

20 68. The defendant who managed the property owed Plaintiff, as their tenants, the
21 duty to maintain the Subject Premises and to perform repairs in a reasonable and safe
22 manner. Defendant breached their duties by performing maintenance and/or repair work
23 negligently and by allowing Plaintiff to be exposed to the above named defective
24 conditions. Defendant also employed others negligently and/or had a non-delegable duty with
25 regard to dangerous conditions created on the Subject Premises by persons employed by
26
27
28

1 Defendant to perform work on the Subject Premises. Plaintiff suffered harm to their property in
2 an amount to be determined at trial.

3 69. As a result of Defendant' conduct, Plaintiff suffered damages, including medical
4 specials, emotional distress and pain and suffering, in an amount to be ascertained at trial.
5

6 70. Wherefore Plaintiff pray for the damages stated below.

7 **NINETH CAUSE OF ACTION**
8 **NEGLIGENCE**
9 **(All Plaintiff v. All Defendant)**

10 71. Plaintiff re-allege and incorporate into this cause of action the allegations of the
11 preceding paragraphs, as if the same were set out at length herein.

12 72. Defendant owed a duty of care to maintain the Subject Premises in a habitable
13 condition pursuant to state and local codes, and not to violate Plaintiff rights. All Defendant
14 violated said duty, throughout their respective terms of ownership, by failing to maintain the
15 Subject Premises. During the statutory period, Plaintiff suffered physical, mental and emotional
16 injuries due to the dangerous conditions of the Subject Premises which include, but are not
17 limited to, no locks on the doors, no hot water, no refrigerator, no heat, and other uninhabitable
18 conditions, all of which caused or contributed to Plaintiff physical injuries, and emotional
19 distress in the form of mental anguish, and pain and suffering.
20

21 73. Plaintiff further allege that Defendant violated California Code Sections 1941.1
22 and 1942.5 in that Defendant intentionally and/or negligently failed and refused to remedy the
23 defective, dilapidated and appalling conditions on the Subject Premises throughout Plaintiff
24 tenancy, and by retaliating against Plaintiff for demanding repairs.
25

26 74. As a direct and proximate result of each Defendant's breach of their duties
27 throughout each 75respective period of ownership, Plaintiff were harmed.
28

1 Plaintiff are in the class of persons sought to be protected by California Code
2 Sections 1941.1, 1942.4 and 1942.5 from the type of harm that was inflicted upon Plaintiff by
3 Defendant' breaches of said statutes. Thus Defendant' breach of the law constitutes negligence
4 per se.
5

6 75. As a direct and proximate cause of the acts and omissions of Defendant, Plaintiff
7 suffered damages in an amount according to proof.

8 76. Wherefore Plaintiff pray for the damages stated below.

9

4 exercise reasonable care in the ownership, management, and control of their real property.
5 Defendant owed Plaintiff a duty not to unreasonably interfere with Plaintiff quiet use and
6 enjoyment of the Subject Premises and invading Plaintiff privacy.

7 92. The duties owed by the Defendant to exercise reasonable care, include, but are
8 not limited to: the duty to refrain from interfering with Plaintiff full use and quiet enjoyment of
9 the premises, and to comply with all state and municipal laws governing Plaintiff rights as
10 tenants.
11

12 93. Said Defendant, by the conduct heretofore alleged, negligently and carelessly
13 maintained, operated, and managed the Subject Premises, and interacted with Plaintiff so as to
14 breach the duties enumerated in the preceding paragraphs, thereby depriving Plaintiff of
15 exercising their right to peaceably and quietly live at the Subject Premises.
16

The Rent Adjustment Program received the petition(s) attached to this letter on January 30, 2020. One or more of your tenant(s) are protesting one or more rent increases alleging that they exceed the maximum rent permitted by Oakland Municipal Code Chapter 8.22 and alleging a decrease in housing services. For details please see the attached copy of the petition.

Your case has been assigned Case No. T20-0054.

The case title and file name is McQuillion v. JJCM Investments.

The analyst assigned to your case is Ava Silveira at (510) 238-7093.

YOU MUST FILE A WRITTEN RESPONSE TO THE ATTACHED TENANT PETITION(S) WITHIN THIRTY-FIVE (35) DAYS FROM THE DATE OF MAILING OF THIS NOTICE OR A DECISION MAY BE MADE AGAINST YOU. THE RESPONSE MUST BE FILED ON THE PROPER FORM AND MUST BE RECEIVED AT THE CITY OF OAKLAND'S RENT ADJUSTMENT PROGRAM OFFICE ON OR BEFORE THE DUE DATE.

Oakland Municipal Code Chapter 8.22 (Rent Adjustment Ordinance) limits the annual permissible rent increases that can be imposed on a rental unit covered by the Ordinance. If a unit is voluntarily vacated, or the tenant is evicted for cause, the rent may be raised without restriction upon re-renting. The new tenancy is again subject to the rent increase limitations in the Ordinance.

The Ordinance requires that you provide a written notice of the existence of the Residential Rent Adjustment Program to tenants in covered units at the start of the tenancy. You must use the Rent Adjustment Program form titled "Notice to Tenants of the Residential Rent Adjustment Program". This document is also called the "RAP Notice". The Ordinance also requires that you serve the same notice together with all notices of rent increase and all notices of change in terms of tenancy.

000105

Rent increases less than, or equal to, the annual CPI increase need not be justified. Rent increases in excess of the annual CPI increase may be justified on one or more of the following grounds:

The following are summaries ONLY. For complete information, please see Oakland Rent Adjustment Ordinance and the Rent Adjustment Regulations. You may call the Rent Program Office to have your questions answered or to obtain a written copy of the Ordinance and Regulations.

1. EXEMPTION:

(OMC Section 7.22.030)

You may prove an exemption from application of the Oakland Rent Adjustment Ordinance. The exemptions are found in the Rent Adjustment Ordinance. The most common exemption is that the unit is government subsidized housing. Other common exemptions are for units constructed after January 1, 1983 (new construction) and single family houses exempt under the Costa Hawkins Rental Housing Act. See the Ordinance for a complete list and details.

2. CAPITAL IMPROVEMENT/UNINSURED REPAIR COSTS:

(Regulations Section 10.)

Capital improvements increases may only be granted for improvements that have been completed and paid for within the 24-months immediately before the effective date of the proposed rent increase. To justify a rent increase for capital improvements expenditures or uninsured repair expense you must provide, at least 7 days prior to the Hearing, copies of receipts, invoices, bid contracts or other documentation showing the costs were incurred to improve the property and benefit the tenants, and evidence to show that the incurred costs were paid. The owner can only pass through 70% of costs incurred and may not increase the rent more than 10%.

3. INCREASED HOUSING SERVICE COSTS:

(Regulations Section 10.)

Housing Service Costs are expenses for services provided by the landlord related to the use or occupancy of a rental unit. In determining whether an increase in housing service costs justifies a rent increase in excess of the annual CPI increase, the annual operating expenses related to the property for the most recent two years are compared. Year two costs must exceed year one costs by more than the current annual increase. The expenses considered include property taxes, business license/taxes, and insurance, P.G. & E., water, garbage, maintenance and repairs, managerial costs and other legitimate annually recurring expenses to operate the rental property, except debt service. Evidence is required to prove each of the claimed housing costs.

4. BANKING/RENTAL HISTORY:

"Banking" refers to deferred annual general rent increases (CPI increases) that were not imposed, or were not imposed in full, and carried forward to future years. Subject to certain limitations, imposition of annual general increases may be deferred up to 10 years. After 10 years, general increases that were not imposed, expire. Evidence of the rental history of the subject unit is required.

5. NECESSARY TO MEET CONSTITUTIONAL FAIR RETURN REQUIREMENTS:

In order to prove that the owner is entitled to a rent increase based on constitutional fair return an owner must establish that the return on the investment is less than the return that would have been received for an investment of similar risk. At a minimum, proof of the amount of investment, evidence of the return from other investments of similar risk and an analysis of the rate of return from the rental property, including an appreciation in the value of the property, are required.

6. DEBT SERVICE:

Debt service has been eliminated as a reason for a rent increase effective April 1, 2014. However, if an owner made a bona fide offer to purchase property before April 1, 2014, a debt service rent increase may be approved. An increase in rent based on debt service costs will only be approved in those cases where the total property income is insufficient to cover the housing service costs and 95% of the debt service costs for purchase money for mortgages secured by the subject property. Eligible debt service costs are the actual principal and interest applicable to the property.

Additional Requirements

- 1. have a current Oakland Business License**
- 2. be current on payment of the Rent Adjustment Program's Service Fee**
- 3. file a timely response on the Landlord Response form and submit the required**

CASE NUMBERS: T19-0313 McQuillion v. American Liberty
T19-0510 McQuillion v. American Liberty
T20-0054 McQuillion v. JJCM Investments

PROPERTY ADDRESS: 3114 Ashbrook Court, Oakland, CA

SUMMARY OF DECISION

The tenant petitions are dismissed.

ISSUES PRESENTED

1. Does the Rent Adjustment Program have jurisdiction to hear these cases?

INTRODUCTION

The tenant filed petitions on June 9, 2019, November 6, 2019, and January 30, 2020, contesting rent increases and alleging decreased housing services. All three cases were consolidated and a hearing was set for September 23, 2020. Subsequently, the owner representative notified the Rent Adjustment Program that there is a lawsuit pending in Superior Court (Case Number RG19008160) that addresses the very same claims listed in the tenant petitions referenced above. The owner representative requested a postponement of the hearing in the above referenced cases pending the outcome of the civil lawsuit. The postponement was granted and a hearing was scheduled for March 23, 2021.

EVIDENCE

On February 16, 2021, the owner representative notified the Rent Adjustment Program that the parties signed a Mutual Settlement Agreement and Release dated February 8, 2021, and the tenant received monetary compensation to resolve the legal action in Case Number RG19008160. A copy of the Mutual Settlement Agreement and Release is attached as Exhibit 1. A review of the Mutual Settlement Agreement and Release shows that a release in the agreement precludes the tenant from raising all claims arising out of her tenancy at 3114 Ashbrook Court, in Oakland, California, that were brought or which could have been brought in the litigation entitled "*Fatima McQuillon v. American Liberty Investments, LLC, Triple Good Investments &*

000110

Management, LLC, Frederick O. Lewis, III., and Does 1 through 30,” Action No. RG19008160 in the Superior Court of California, County of Alameda, and from any and all other claims which could have been brought by her related to or stemming from her occupancy and possession of 3114 Ashbrook Court.

Since the Alameda County Superior Court assumed jurisdiction over all claims arising from the tenant’s tenancy at 3114 Ashbrook Court, and all claims were resolved in the Mutual Settlement Agreement and Release, the Rent Adjustment Program no longer has jurisdiction over claims raised in the above-referenced tenant petitions. Therefore, the tenant petitions are dismissed.

ORDER

1. Petitions T19-0313, T19-0510, and T20-0054 are dismissed.
2. The Hearing scheduled for March 23, 2021 is cancelled.

Right to Appeal: This decision is the final decision of the Rent Adjustment Program. Either party may appeal this decision by filing a properly completed appeal using the form provided by the Rent Adjustment Program. The appeal must be received within twenty (20) days after service of the decision. The date of service is shown on the attached Proof of Service. If the Rent Adjustment Office is closed on the last day to file, the appeal may be filed on the next business day.

On February 21, 2021 Fatima McQuillon filed a lawsuit against American Liberty Investments, LLC; Frederick A. Lewis, III; and Triple Good Investment & Management LLC. The case number for the subject lawsuit is RG19008160.

JJCM Investments Inc purchased the property on December 6, 2019 and JJCM Investments Inc was not a party to the lawsuit.

The civil settlement did not cover Ms. McQuillon's current living conditions, her current over payment in rent based on the hearing decision issued in T18-0152 on September 20, 2018. Her complaints against JJCM Investments Inc are ongoing and being incurred on a monthly basis.

Oakland Municipal Code [hereinafter OMC] 8.22.150 (A)(4) states "The remedies available in this Chapter are not exclusive and may be used cumulatively with any other remedies in this Chapter or at law."

Furthermore OMC 8.22.150 (C) states "An aggrieved party or the City Attorney, on behalf of such party, may bring a civil action for injunctive relief or damages, or both, for any violation of the provisions of this Chapter or an order or decision issued by a Hearing Officer or the Board."

The release that the RAP hearing officer based her dismissal on only covered claims brought in the said civil action. It is clear that Ms. McQuillon has not pursued any civil action against JJCM Investments nor has she received any civil remedies from JJCM Investments. Nor does the settlement agreement make any determination as to the proper amount of rent. Ms. McQuillon believes she is currently over paying every month based on the hearing decision in T180-0152.

Ms. McQuillon deserved to be heard on this matter and not have the matter be dismissed based on the representations of the current owners.

HEARING DECISION

CASE NUMBERS: T19-0363 and T19-508, Gonzalez v. Huang
PROPERTY ADDRESS: 2315 High St., Oakland, CA
DATE OF HEARING: November 17, 2020, remotely via Zoom
DATE OF DECISION: January 15, 2021
APPEARANCES: Gloria Gonzalez, Tenant
Xavier Johnson, Tenant's Representative
Djohra Chaboub, Spanish Interpreter for Tenant

SUMMARY OF DECISION

The tenant petitions are granted in part.

CONTENTIONS OF THE PARTIES

On July 24, 2019, the tenant filed a tenant petition (T19-0363), contesting five prior rent increases, alleging that the owner did not provide the notice of the existence of the Rent Adjustment Program (the RAP Notice) as required in Spanish and also claiming code violations and decreased housing services.

On November 12, 2019, the tenant filed second tenant petition (T19-0508), contesting a rent increase that was give since filing of the earlier petition.

Both petitions were consolidated into one hearing.

The owner filed timely responses to each petition, claiming that the rent increases were justified by banking and/or for the CPI amount only, and the alleged decreased

000140

housing services identified by the tenant were addressed. The owner responses also stated that the owner did not know whether he provided the RAP Notice to the tenant.

THE ISSUES

- (1) Did the tenant receive the RAP Notice?
- (2) Are the contested rent increases valid and what is the current rent?
- (3) Have the tenant's housing services been decreased, and if so, by what amount?

EVIDENCE

Background

The tenant moved into the subject unit on March 1, 2008, at an initial monthly rent of \$1,000.00. She testified that she spoke only Spanish with the prior owner, Maria Hurtado, and also negotiated the lease agreement and any business relating to her tenancy in Spanish.

The tenant's representative submitted an evidence packet consisting of 59 pages, that was admitted into evidence without objection and will be referred to in this Hearing Decision.

The current owner acquired the building in 2009. The subject building consists of two (2) residential units and the owner submitted proofs of payments of both Oakland Business License and the Rent Program Service Fee.¹

Rent Increases

The tenant contests the following rent increases:

1. from \$1,310.00 to \$1,356.00, effective December 1, 2019;
2. from \$1,260.00 to \$1,310.00, effective October 1, 2018;
3. from \$1,230.00 to \$1,260.00, effective October 1, 2017;
4. from \$1,200.00 to \$1,230.00, effective October 1, 2016;
5. from \$1,100.00 to \$1,200.00, effective July 1, 2015; and
6. from \$1,000.00 to \$1,100.00, effective January 1, 2013.

The tenant submitted copies of the rent increase notices.² The tenant also submitted copies of rent receipts, showing the monthly rent payment and that she paid all rent increases, except the most recent one. She has been paying \$1,310.00 per month since October 1, 2018.³ This evidence was not disputed.

¹ Exhibit A

² Exhibit B (page 14 through 18 of the Tenant's packet)

³ Exhibit C (pages 1 through 13 of the Tenant's packet)

RAP Notice

The tenant testified at the hearing that the first RAP Notice she received was with the most recent rent increase, dated October 20, 2019, and it was in English only. She testified that all notices she ever received from the current owner were in English. The owner never provided the RAP Notice to the tenant in Spanish.

The owner testified that she was learning the rules relating to the Rent Adjustment Ordinance. She asked questions at the hearing relating to the RAP Notices. The owner testified that she told the tenant about the rent control in Oakland but admitted that she did not know that she must provide notices in writing with each rent increase, and also in other languages.

Code Violation

There was no evidence of any code violation or evidence that any notice of violation was issued. Therefore, this claim is dismissed.

Decreased Housing Services/Changed Condition

At the hearing, the tenant testified that the repairs have been completed in May and June of 2019 and limited the issues to the windows, carpet and mold. The owner testified that they already replaced the windows, and are willing to address any items that were still outstanding at the time of the hearing.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Invalid Rent Increases - No RAP Notice in Spanish

The Rent Adjustment Ordinance requires an owner to serve notice of the existence and scope of the Rent Adjustment Program (RAP Notice) at the start of a tenancy⁴ and together with any notice of rent increase.⁵ The Owner must give the initial notice in three languages: English, Spanish and Chinese.⁶

There was no evidence that any of the contested rent increases included the RAP Notice. The current owner gave the initial RAP Notice to the tenant with the most recent rent increase in 2019 and only in English.

Additionally, California Civil Code §1632(b)(3) states that, when a person enters into a contract, including a rental contract or agreement, and primarily negotiates the terms of the contract in a language other than English, the owner must give the consumer a translation of the contract in the same language in which the negotiation was held. Here, when the tenant moved into the unit, he negotiated the lease in Spanish

⁴ O.M.C. §8.22.060(A)

⁵ O.M.C. §8.22.070(H)(1)(A)

⁶ O.M.C. §8.22.060(

and all discussions were in Spanish with the prior owner. The RAP Board has held that, in keeping with Civil Code §1632(b)(3), the *RAP Notice* must also be given in the same language in which the negotiations were held. (*Soriano et al. v. Western Mgt. Properties*, T06-0154, Housing, Residential, Rent and Relocation Board.)

There is no evidence that the owner provided the RAP notice with the rent increases and in Spanish. The current owner stands in the shoes of the prior owner. Therefore, all contested rent increases are not valid and the monthly rent will be rolled back to \$1,000.00, the rent amount prior to the first contested rent increase. The evidence established that the tenant paid the rent increases. Therefore, the tenant is entitled to restitution, which is limited to thirty-six months prior to the hearing⁷ and will be applied as follows:

Decreased Housing Services

Under the Oakland Rent Ordinance, a decrease in housing services is considered to be an increase in rent⁸ and may be corrected by a rent adjustment.⁹ However, in order to justify a decrease in rent, a decrease in housing services must be the loss of a service that seriously affects the habitability¹⁰ of a unit or one that was provided at the beginning of the tenancy and is no longer being provided, or one that was contracted between the parties.

In a decreased services case, the tenant has the burden of proving decreased housing services by a preponderance of the evidence and must establish he has given the owner notice of the problems and the opportunity to fix the problems before he is entitled to a relief.¹¹

⁹ O.M.C. §8.22.110(E)

¹¹ Hearing Decision T11-0191, *Howard v. Smith* (2012)

At the hearing the tenant testified that all repairs were completed by May and June of 2019. The owner testified that the parties were on good terms now working together and that the owner repaired everything that the tenant requested and if there was anything that still needed to be fixed, the owner will address it. Therefore, the claims for decreased housing services are denied at this time. However, the owner is on notice to address any issues, if any remains, relating to mold, carpet and windows.

ORDER

1. Tenant Petitions T19-0363 and T19-0508 are granted in part.
2. The rent increases are not valid. The new monthly base rent is \$1,000.00.
3. The monthly base rent of \$1,000.00 is further temporarily decreased due to rent overpayments (\$11,180.00), which are amortized over the next thirty-six (36) months as shown on the chart below:

Base Rent	\$1,000.00
Rent overpayments \$11,180.00 amortized over 36 months (\$11,180.00 divided by 36)	- 310.56
Rent for the next 36 months	\$ 689.44

4. After thirty-six (36) months, the rent will increase by \$310.56 as the credit for rent overpayments expires per chart above. This is not a rent increase but end of restitution.

5. The tenant is entitled to reduce the rent in accordance with this Order per chart above after this Hearing Decision becomes final. The decision is final if no party has filed an Appeal within 20 days of the date the Hearing Decision is mailed to the parties.

6. The claims for decreased housing services are denied.

7. The owner is otherwise eligible to increase the tenants' rent six months after proper service of the Notice of the existence of the Rent Adjustment Program as required in all languages and in accordance with California Civil Code §827.

Right to Appeal: This decision is the final decision of the Rent Adjustment Program. Either party may appeal this decision by filing a properly completed appeal RAP form, which must be received within twenty days after service of decision, shown on the attached Proof of Service.

Appeal letter for
Case Number: T19-0363 and T19-0508, Gonzalez vs. Huang

To: Honorable Judge and Respectful RAP board members,

After receiving the decision from your office, I researched the RAP Guidelines on the City of Oakland website and tried to understand your reasoning to the best of my knowledge. I believe there are strong reasons for me to appeal the decision. I appeal that the current tenants rent should be at \$1260 per month, with total overpaying rent being only \$1300.

Background Facts:

1. I (the owners) acquired the 2315-2317 Duplex property through the bank-own REO back in 2009. At the time of the purchase, we never received any disclosure from the bank or the current tenant regarding a Spanish rental contract. At the same time, tenant Gloria Gonzalez never once mentioned requesting a Spanish contract in the past 11 years. The tenant has always communicated in English verbally or through text messages to Julie Wong, the property manager, regarding repairs, rent payments, and rent increases. According to real estate law even a verbal contract is a contract. Therefore, whether the tenant's argument of having a negotiated Spanish contract with the previous owner, or not being able to communicate in English is a weak argument. Furthermore, she failed to request from us a Spanish contract after 11 years, until she filed for petition on July 24, 2019.

2. According to the Oakland RAP website posted on August 31, 2018. The effective date of providing three languages RAP to the tenant is September 21, 2016, and the tenant has 60 days to file a petition. But if RAP notice is not served the petition date is extended to 120 days. Tenant files for petition on July 24, 2019, which is way passed the 120 days window. Tenant's petition only applies to the 2019 rent increase, anything prior to that would have been more than 120 days.

3. As for the owner must initially provide the RAP notice to the tenant, otherwise rent increases may not be considered valid. This rule only appeared on two RAP documents, one issued on August 31, 2018 and another one was published in July 2019 in The Guide to Oakland Rental Housing Law. Owner purchased the property back in 2009, thus all the rent increases should be grandfathered until these documents were published. Any rent increases after 2019 without RAP notice can be considered not to be valid. Please refer to the table in the next page for my calculation.

In conclusion, we request the RAP board to review the attached evidence, and make a reasonable decision. I, the Owner strongly believe that the current tenant rent should be at \$1260 per month, total overpaying rent should be at \$1300. This is a fair request from me, the owner.

Thank you very much for your time.

HEARING DECISION

CASE NUMBERS: T19-0363 and T19-508, Gonzalez v. Huang

SUMMARY OF DECISION

The tenant petitions are granted in part.

CONTENTIONS OF THE PARTIES

On July 24, 2019, the tenant filed a tenant petition (T19-0363), contesting five prior rent increases, alleging that the owner did not provide the notice of the existence of the Rent Adjustment Program (the RAP Notice) as required in Spanish and also claiming code violations and decreased housing services.

On November 12, 2019, the tenant filed second tenant petition (T19-0508), contesting a rent increase that was give since filing of the earlier petition.

Both petitions were consolidated into one hearing.

The owner filed timely responses to each petition, claiming that the rent increases were justified by banking and/or for the CPI amount only, and the alleged decreased

housing services identified by the tenant were addressed. The owner responses also stated that the owner did not know whether he provided the RAP Notice to the tenant.

THE ISSUES

- (1) Did the tenant receive the RAP Notice?
- (2) Are the contested rent increases valid and what is the current rent?
- (3) Have the tenant's housing services been decreased, and if so, by what amount?

EVIDENCE

Background

The tenant moved into the subject unit on March 1, 2008, at an initial monthly rent of \$1,000.00. She testified that she spoke only Spanish with the prior owner, Maria Hurtado, and also negotiated the lease agreement and any business relating to her tenancy in Spanish.

The tenant's representative submitted an evidence packet consisting of 59 pages, that was admitted into evidence without objection and will be referred to in this Hearing Decision.

The current owner acquired the building in 2009. The subject building consists of two (2) residential units and the owner submitted proofs of payments of both Oakland Business License and the Rent Program Service Fee.¹

Rent Increases

The tenant contests the following rent increases:

1. from \$1,310.00 to \$1,356.00, effective December 1, 2019;
2. from \$1,260.00 to \$1,310.00, effective October 1, 2018;
3. from \$1,230.00 to \$1,260.00, effective October 1, 2017;
4. from \$1,200.00 to \$1,230.00, effective October 1, 2016;
5. from \$1,100.00 to \$1,200.00, effective July 1, 2015; and
6. from \$1,000.00 to \$1,100.00, effective January 1, 2013.

The tenant submitted copies of the rent increase notices.² The tenant also submitted copies of rent receipts, showing the monthly rent payment and that she paid all rent increases, except the most recent one. She has been paying \$1,310.00 per month since October 1, 2018.³ This evidence was not disputed.

¹ Exhibit A

² Exhibit B (page 14 through 18 of the Tenant's packet)

³ Exhibit C (pages 1 through 13 of the Tenant's packet)

CASE # T19-0363, T19-0508

RAP Notice

The tenant testified at the hearing that the first RAP Notice she received was with the most recent rent increase, dated October 20, 2019, and it was in English only. She testified that all notices she ever received from the current owner were in English. The owner never provided the RAP Notice to the tenant in Spanish.

The owner testified that she was learning the rules relating to the Rent Adjustment Ordinance. She asked questions at the hearing relating to the RAP Notices. The owner testified that she told the tenant about the rent control in Oakland but admitted that she did not know that she must provide notices in writing with each rent increase, and also in other languages.

Code Violation

There was no evidence of any code violation or evidence that any notice of violation was issued. Therefore, this claim is dismissed.

Decreased Housing Services/Changed Condition

At the hearing, the tenant testified that the repairs have been completed in May and June of 2019 and limited the issues to the windows, carpet and mold. The owner testified that they already replaced the windows, and are willing to address any items that were still outstanding at the time of the hearing.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Invalid Rent Increases - No RAP Notice in Spanish

The Rent Adjustment Ordinance requires an owner to serve notice of the existence and scope of the Rent Adjustment Program (RAP Notice) at the start of a tenancy⁴ and together with any notice of rent increase.⁵ The Owner must give the initial notice in three languages: English, Spanish and Chinese.⁶

There was no evidence that any of the contested rent increases included the RAP Notice. The current owner gave the initial RAP Notice to the tenant with the most recent rent increase in 2019 and only in English.

Additionally, California Civil Code §1632(b)(3) states that, when a person enters into a contract, including a rental contract or agreement, and primarily negotiates the terms of the contract in a language other than English, the owner must give the consumer a translation of the contract in the same language in which the negotiation was held. Here, when the tenant moved into the unit, he negotiated the lease in Spanish

⁴ O.M.C. §8.22.060(A)

⁵ O.M.C. §8.22.070(H)(1)(A)

⁶ O.M.C. §8.22.060(C)

and all discussions were in Spanish with the prior owner. The RAP Board has held that, in keeping with Civil Code §1632(b)(3), the *RAP Notice* must also be given in the same language in which the negotiations were held. (*Soriano et al. v. Western Mgt. Properties*, T06-0154, Housing, Residential, Rent and Relocation Board.)

There is no evidence that the owner provided the RAP notice with the rent increases and in Spanish. The current owner stands in the shoes of the prior owner. Therefore, all contested rent increases are not valid and the monthly rent will be rolled back to \$1,000.00, the rent amount prior to the first contested rent increase. The evidence established that the tenant paid the rent increases. Therefore, the tenant is entitled to restitution, which is limited to thirty-six months prior to the hearing⁷ and will be applied as follows:

OVERPAID RENT

Decreased Housing Services

Under the Oakland Rent Ordinance, a decrease in housing services is considered to be an increase in rent⁸ and may be corrected by a rent adjustment.⁹ However, in order to justify a decrease in rent, a decrease in housing services must be the loss of a service that seriously affects the habitability¹⁰ of a unit or one that was provided at the beginning of the tenancy and is no longer being provided, or one that was contracted between the parties.

In a decreased services case, the tenant has the burden of proving decreased housing services by a preponderance of the evidence and must establish he has given the owner notice of the problems and the opportunity to fix the problems before he is entitled to a relief.¹¹

CASE # T19-0363, T19-0508

At the hearing the tenant testified that all repairs were completed by May and June of 2019. The owner testified that the parties were on good terms now working together and that the owner repaired everything that the tenant requested and if there was anything that still needed to be fixed, the owner will address it. Therefore, the claims for decreased housing services are denied at this time. However, the owner is on notice to address any issues, if any remains, relating to mold, carpet and windows.

ORDER

1. Tenant Petitions T19-0363 and T19-0508 are granted in part.
2. The rent increases are not valid. The new monthly base rent is \$1,000.00.
3. The monthly base rent of \$1,000.00 is further temporarily decreased due to rent overpayments (\$11,180.00), which are amortized over the next thirty-six (36) months as shown on the chart below:

Base Rent	\$1,000.00
Rent overpayments \$11,180.00 amortized over 36 months (\$11,180.00 divided by 36)	- 310.56
Rent for the next 36 months	\$ 689.44

4. After thirty-six (36) months, the rent will increase by \$310.56 as the credit for rent overpayments expires per chart above. This is not a rent increase but end of restitution.
5. The tenant is entitled to reduce the rent in accordance with this Order per chart above after this Hearing Decision becomes final. The decision is final if no party has filed an Appeal within 20 days of the date the Hearing Decision is mailed to the parties.
6. The claims for decreased housing services are denied.
7. The owner is otherwise eligible to increase the tenants' rent six months after proper service of the Notice of the existence of the Rent Adjustment Program as required in all languages and in accordance with California Civil Code §827.

Right to Appeal: This decision is the final decision of the Rent Adjustment Program. Either party may appeal this decision by filing a properly completed appeal RAP form, which must be received within twenty days after service of decision, shown on the attached Proof of Service.

Re: Appeal Summary in T20-0143
Wheaton v. Ngo

Appeal Hearing Date: June 10, 2021

Property Address: 4428 MacArthur Blvd., Unit #A, Oakland, CA

Appellants/Tenants: Valerie Wheaton

Respondent/Owner: Lien Ngo

BACKGROUND

The tenant filed a petition alleging code violations and serious problems with the conditions of the unit. The tenant alleged that her toilet would always clog up. She testified that the owner would respond promptly each time but the problem keeps happening. The owner testified that the plumbing issues were due to flushes and wipes being flushed down the toilet.

The tenant also alleged decreased housing services because the City of Oakland issued a Notice of Violation that the unit was an unpermitted unit. The owner testified that the tenant would not cooperate to let the owner make the necessary repairs.

RULING ON THE CASE

The Hearing Officer denied the decreased housing services claim for the toilet because the owner responded each time the tenant called about the problem and eventually replaced the plumbing system and the sewer line.

The Hearing Officer denied the claim based on the illegal unit because the tenant refused owner access to do the work to correct the notice of violation.

GROUNDS FOR APPEAL

The tenants appealed on the ground that the decision is not supported by substantial evidence. Specifically, the tenant contends that:

- The hearing officer was biased;
- The owner never hired a plumber to fix the toilet;
- The owner did not replace the sewer line;
- The owner never contacted the tenant to arrange access to the unit to fix the Notice of Violation.

ISSUES

1. Is the hearing officer's decision supported by substantial evidence?

APPLICABLE LAW AND PAST BOARD DECISIONS

Substantial Evidence – Findings of Fact

In conducting substantial evidence review, the reviewing body must examine the whole record, not simply the part of it that supports the hearing officer's decision. In other words, the reviewing court must scrutinize all of the evidence in the record—both that supporting and that detracting from the findings of fact. The reviewing body cannot sustain the hearing officer's decision based only on the evidence supporting that decision viewed in isolation.

Board Decisions

A. Decreased Housing Services

T18-0293 **Kelly v. Claridge Hotel LLC**

Board affirmed Hearing Decision that denied a decreased housing services claim for pest infestation (bed bugs and roaches) where the Hearing Officer found that the owner began pest control treatment immediately after receiving notice from the tenant. (Note, the Board also upheld the decreased rent and restitution of 10% for a non-working heater.)

T16-0076 Lee v. Millar

Board affirmed Hearing Decision that denied tenant's claims of decreased housing services and found that items were tenant's responsibility or were due to tenant maintenance and sanitation issues.

T15-0576 Kellybrew v. Lewis

Board affirmed Hearing Decision that denied claim for mold due to leaking bathroom faucets because owner responded within a reasonable time and found that bugs in ceiling light fixture was not a hazardous condition affecting habitability of the unit.

Re: Appeal Summary in
T19-0007 McQuillion v. American Liberty
T19-0510 McQuillion v. American Liberty
T20-0054 McQuillion v. JJCM Investments

Appeal Hearing Date: June 10, 2021

Property Address: 3114 Ashbrook Court, Oakland, CA

PROCEDURAL BACKGROUND

The tenant filed petitions on June 9, 2019, November 6, 2019, and January 30, 2020, contesting rent increases and alleging decreased housing services. All three cases were consolidated and a hearing was set for September 23, 2020. Subsequently, the owner representative notified the Rent Adjustment Program that there is a lawsuit pending in Superior Court (Case Number RG19008160) that addresses the very same claims listed in the tenant petitions referenced above.

The Mutual Settlement Agreement and Release shows that a release in the agreement precludes the tenant from raising all claims arising out of her tenancy at 3114 Ashbrook Court, in Oakland, California, that were brought or which could have been brought in the litigation entitled “Fatima McQuillon v. American Liberty Investments, LLC, Triple Good Investments & Management, LLC, Frederick O. Lewis, III., and Does 1 through 30,” Action No. RG19008160 in the Superior Court of California, County of Alameda, and from any and all other claims which could have been brought by her related to or stemming from her occupancy and possession of 3114 Ashbrook Court.

RULING ON THE CASE

The hearing officer dismissed the tenant petition on the basis that the Rent Adjustment Program no longer has jurisdiction over the case because the Superior Court assumed jurisdiction over all claims arising from the tenant's tenancy at 3114 Ashbrook Court, and all claims were resolved in the Mutual Settlement Agreement and Release, the Rent Adjustment Program no longer has jurisdiction over claims raised in the above-referenced tenant petitions. Therefore, the tenant petitions are dismissed.

GROUND FOR APPEAL

The tenant appealed the hearing decision on the following grounds:

- The decision is inconsistent with OMC Chapter 8.22, Rent Board Regulations or prior decisions of the Board;
- The decision violates federal, state or local law;
- The decision is not supported by substantial evidence;
- I was denied a sufficient opportunity to present my claim or respond to the petitioner's claim.

Specifically, the tenant contends the following:

1. The settlement does not cover current conditions because the lawsuit was against the former owners, American Liberty Investments, LLC; Fredick A. Lewis, III, and Triple Goods Investment & Management LLC. JJCM Investments Inc. purchased the property on December 9, 2019 and was not party to the lawsuit.
2. The settlement agreement did not make any determination as the proper amount of rent.

ISSUES

1. Does RAP lack jurisdiction over matters in the unit despite a Settlement with a prior owner?

APPLICABLE LAW AND PAST BOARD DECISIONS

1. Board decisions:

T17-0371 Arnold v. Farley

Board dismissed tenant's appeal of dismissal of decreased services petition, based on prior court proceedings between the same parties on the same issues that were resolved via a settlement agreement over which the Superior Court retained continuing jurisdiction.

T13-0140 Lewis et al v. Advent Properties

Appeal dismissed administratively with prejudice pursuant to settlement between parties in Superior Court.

Re: Appeal Summary in T19-0363 and T19-0508
Gonzalez v. Huang

Appeal Hearing Date: June 10, 2021

Property Address: 2315 High Street, Oakland, CA
Appellant/Owner: Bai Zhong Huang
Appellant/Owner Representative: Julie Wang
Respondent/Tenant: Gloria Gonzalez
Respondent/Tenant Representative: Xavier Johnson

PROCEDURAL BACKGROUND

On July 24, 2019, the tenants filed the petition (T19-0363) contesting five prior rent increases going back to 2013, alleging that the owner did not provide a RAP as required in Spanish and also claiming code violations and decreased housing services. On November 12, 2019, the tenant filed a second petition (T19-0518) contesting a new increase served after the first petition was filed.

RULING ON THE CASE

The hearing officer invalidated the rent increases on the basis that the tenant negotiated the lease with the prior owner in Spanish, and the owner never provided a RAP notice in Spanish and gave RAP notices in English only with the most recent rent increase in 2019. The hearing officer also awarded restitution as reductions in rent for overpayments due to invalidation of rent increases.

GROUNDS FOR APPEAL

The owner appealed the hearing decision on the following grounds:

- The decision is not supported by substantial evidence;

Specifically, the owner contends the following:

1. The tenant never mentioned requesting a Spanish contract and always communicated in English verbally or through text message to the property manager.
2. The effective date of the ordinance requiring RAP notices to be provided in three languages was in September 2016 and if the RAP notice was not served with the rent increase, the tenant has 120 days to file the petition. The petitions are late for all increases before 2019.
3. The rule that the owner must provide RAP notice to the tenant was not clearly communicated on the RAP web site until 2018, so the prior rent increases should be valid before these documents were published.

ISSUES

1. Was the hearing officer's decision supported by substantial evidence?

APPLICABLE LAW AND PAST BOARD DECISIONS

Rent Adjustment Ordinance

8.22.060 Notice of the existence of this Chapter required at commencement of tenancy.

- A. Notice at Commencement of Tenancy. The owner of any covered unit is required to comply with the following notice requirements at the commencement of any tenancy:
 1. On or before the date of commencement of a tenancy, the owner must give the tenant a written notice in a form prescribed by the Rent Adjustment Program which must include the following information:
 - a. The existence and scope of this Chapter;
 - b. The tenant's rights to petition against certain rent increases;
 - c. Whether the Owner is permitted to set the initial Rent to the new Tenant without limitation (such as pursuant to the Costa-Hawkins Act (California Civil Code Sec. 1954.52));

- d. If the Owner is not permitted to set the initial Rent to the new Tenant (such as after an eviction noticed pursuant to California Civil Code Sec. 1946), the Owner must state the Rent in effect when the prior Tenant vacated, and if the initial Rent is in excess of the Rent to the prior Tenant the basis for any Rent in excess of the Rent to the prior tenant (which can only be based on the CPI Rent Adjustment, Banking, and/or a final a final decision in an Owner's petition).
 - 2. The Owner must give the initial notice in three languages: English, Spanish, and Chinese.
- B. Evidence of Giving Notice. When filing an owner's response to a tenant petition or an owner's petition for a rent increase, the owner must submit evidence that the owner has given the notice required by this section to the affected tenants in the building under dispute in advance of the filing. When responding to a tenant petition, the owner may allege that the affected dwelling units are exempt in lieu of providing evidence of complying with the notice requirement. If an owner fails to submit the evidence and the subject dwelling unit is not exempt, then the owner's petition or response to a tenant's petition must be dismissed. This evidence can be a statement of compliance given under oath, however, the tenant may controvert this statement at the hearing. An owner's filing the notice in advance of petition or response prevents the owner's petition or response from being dismissed, but the owner may still be subject to the rent increase forfeiture if the notice was not given at the commencement of the tenancy or within the cure period set out in Section 8.22.060(C).
- C. Failing to Give Notice. An owner who fails to give notice of the existence and scope of the Rent Adjustment Program at the commencement of a tenancy, but otherwise qualifies to petition or respond to a petition filed with the Rent Adjustment Program, will forfeit six months of the rent increase sought unless the owner cured the failure to give the notice. An owner may cure the failure to give the notice at the commencement of a tenancy required by this section and not be subject to a forfeiture of a rent increase if the owner gives the notice at least six months prior to serving the rent increase notice on the tenant or, in the case of an owner petition, at least six months prior to filing the petition.

O.M.C. 8.22.090 Petition and response to filing procedures.

A. Tenant Petitions

- 2. For a petition contesting a rent increase, the petition must be filed as follows:
 - a. If the owner provided written notice of the existence and scope of this Chapter as required by Section 8.22.060 at the inception of tenancy:

- i. The petition must be filed within ninety (90) days of the date the owner serves the rent increase notice if the owner provided the RAP notice with the rent increase; or
- ii. The petition must be filed within one hundred twenty (120) days of the date the owner serves the rent increase if the owner did not provide the RAP notice with the rent increase.

b.If the owner did not provide written notice of the existence and scope of this Chapter as required by Section 8.22.060 at the inception of tenancy, within ninety (90) days of the date the tenant first receives written notice of the existence and scope of this Chapter as required by Section 8.22.060.

Board Decisions

RAP Notice and Civil Code 1632

T06-154 Soriano, et al. v. Western Management Properties

The Board found good cause for late filing when decrease in housing services was ongoing and where Notice to Tenants of the scope and existence of the Rent Adjustment Program was not given in the same language used in negotiating the terms of the tenancy in compliance with Civil Code, § 1632(b)(3).

T19-0007 Cortez v. Qmacin

The Board affirmed a hearing decision that invalidated rent increases on the basis that the Spanish speaking tenants were not provided RAP notices in Spanish.
