Member Category (required) [What's a Membership Category?](#)

State/CSU
 Public Agency/School

Search Year
2023

[Search for Health Plans](#)

5. Indicate whether you want to include your doctor in the search.

[Home](#) > [Active Members](#) > [Health Benefits](#) > [Plans & Rates](#) > Health Plan Search by ZIP Code

Search for Your Doctor

We're only able to search for doctors in basic health plans. If you want to verify your doctor is included in a Medicare or combination plan, contact the health plan directly.

Do you want to include your doctor? (required)

Yes
 No

6. Review your search results for **“Basic Plans”** available in your area.

The following health plans are available in the service area of the ZIP code and Membership Category you selected.

- PERS Select and Medicare Supplement

Comparing Medical Plans

The Employee Benefit Guide booklet provides information to help you make informed decisions about choosing your medical plan. A comparison chart of covered services, co-payments, and benefits for each CalPERS medical plan begins on page 18. Contact the plan to verify your physician is a participating network provider (refer to page 16 for plan contact information).

Click the 2023 Benefits Guide to access the guide.

Monthly Employee Contributions

Monthly medical plan employee contributions are listed on the Medical Plan Rate sheets in the links below.
