PUBLIC HEARINGS / APPLICATIONS

The hearing provides opportunity for all concerned persons to speak; the hearing will normally be closed after all testimony has been heard. The Landmarks Preservation Advisory Board, is an advisory board and thereby makes recommendation rather than decisions.

The Commission will then vote on the matter based on the staff report and recommendation. If the Commission does not follow the staff recommendation and no alternate findings for decision have been prepared, then the vote on the matter will be considered a “straw” vote, which essentially is a non-binding vote directing staff to return to the Board at a later date with appropriate findings for decision and, as applicable, conditions of approval that the Board will consider in making a final recommendation.

If you wish to be notified on the recommendation of an agenda item, please contact the case planner for the specific agenda item.
