## **Exhibit A**

- Chair Tevelson was not able to meet with the police chief as planned but did meet with Deputy Chief Clifford Wong, Bureau of Risk, who seemed supportive of increasing mandatory domain 37 training to include invisible disabilities. He also seems to consider that the optional CIT training for more experienced officers should be considered more “mandatory”.
- Officer Doria Neff is no longer in charge of training.
- Chair Tevelson would like a presentation from OPD by the end of the year.
- Chair Tevelson has contacted one candidate for mayor who is familiar with the issues of persons with disabilities and supports the MCPD recommendation to move ADA programs to the Office of the City Administrator. This candidate asked for his endorsement as MCPD Chair. He has an appointment with another candidate and will be contacting all of them.
- The Chair requests that each commissioner reach out to other candidates who are running in their own districts.

Quorum of six was established when Vice Chair Smith checked in at 5:42 pm.

The agenda was accepted without modification and approved with unanimous voice consent

April 2022 Minutes were adopted with a motion from Commissioner Eberhardt, a second from Commissioner Lynne, and unanimous voice consent.

May 2022 meeting notes were approved with a motion from Commissioner Eberhardt, a second from Commissioner Hattersley, and unanimous voice consent

Fatimah Aure from The Kelsey presented Housing Design Standards for Accessibility and Inclusion. This defines a set of multifamily housing design and operations strategies. Co-created by advocates, developers, and architects, the elements support cross-disability accessibility and link disability-forward design choices to intersectional benefits around affordability, sustainability, racial equity, and safety. Development teams can use the Design Standards to plan and design their projects, then self-certify their communities on their level of access and inclusion. Details can be found in Exhibit E.

- Commissioner O'Malley found the download of the standards and was able to download the full pdf version but not the google doc version using the link. Asked about any current goal to expand from housing but that is not on the table at this time.
- Commissioner Smith asked about the timeframe to provide feedback and Fatimah says that the Kelsey hopes to publish Design Standards 2.0 at the top of next year. It would be good to get feedback by the end of the year.
- Commissioner Hattersley asked about the process to bring a Kelsey development to Oakland.
- The City of San Jose issues NOFAs with extra points for housing developers who are actively using the Kelsey design standards.

## **Exhibit A**

- Every locality has different codes and processes, and many developers and architects are only interested in doing the minimum.
- Chair Tevelson wants to know what departments Kelsey works with on their projects. They work with the housing department and ADA programs in San Francisco and San Jose. They are currently hoping for a third development outside of California.

GRID Alternatives Oakland E-Bike Library Program project was presented by Edgar Arellano. GRID Alternatives is in the process of planning an E-Bike Library program for Oakland communities impacted by economic and environmental injustices. Survey is available here: [bit.ly/ebikelibrarysurvey](https://bit.ly/ebikelibrarysurvey)

- Commissioner Eberhardt wondered if the program would be like the bikes that are already on the street. What is the difference, is it just the design.
- That will depend on what the community says is important to them and it will look different. They do want to know what is needed in terms of adaptive vehicles from this commission.
- Commissioner O'Malley asked about the plan for storefronts as points for loaning out bikes and assuring that the right of way is maintained. The storefront locations help avoid that to some degree.
- Chair Tevelson stated that there must be adaptive vehicles for people with disabilities. Thinks bike rentals are not working for pwds because of the difficulty of picking them up and dropping them off. The cost must also be very low.
- Commissioner Smith brought up the need for somewhere to stow assistive equipment, possibly a locker or a check in option.
- Anh Nguyen referred GRID alternatives to a Shared Mobility Accessibility Study and recommended reaching out to community based organizations providing adaptive vehicles and forming focus groups.
- Commissioner Moore asked about the availability of double bikes for those with vision impairments and recommended a partnership with a

transportation company to transport residents to the location of the bikes.

The 2022 MCPD Strategic Plan Goals were adopted with a motion from Commissioner Eberhardt, and second from Commissioner Smith, with 7 verbal yes votes from the seven commissioners present

The commission received and approved the MCPD Annual Report from the Chair to the Life Enrichment Committee (LEC) of the Oakland City Council

**ADOPT A RESOLUTION DETERMINING THAT CONDUCTING IN-PERSON MEETINGS OF THE MAYOR'S COMMISSION ON PERSONS WITH DISABILITIES (MCPD) AND ITS COMMITTEES WOULD PRESENT IMMINENT RISKS TO ATTENDEES' HEALTH, AND ELECTING TO CONTINUE CONDUCTING MEETINGS USING TELECONFERENCING IN ACCORDANCE WITH CALIFORNIA GOVERNMENT CODE SECTION 54953(e), A PROVISION OF AB-361.**

**WHEREAS**, on March 4, 2020, Governor Gavin Newsom declared a state of emergency related to COVID-19, pursuant to Government Code Section 8625, and such declaration has not been lifted or rescinded. See <https://www.gov.ca.gov/wp-content/uploads/2020/03/3.4.20-Coronavirus-SOE-Proclamation.pdf>

**WHEREAS**, on March 9, 2020, the City Administrator in their capacity as the Director of the Emergency Operations Center (EOC), issued a proclamation of local emergency due to the spread of COVID-19 in Oakland, and on March 12, 2020, the City Council passed Resolution No. 88075 C.M.S. ratifying the proclamation of local emergency pursuant to Oakland Municipal Code (O.M.C.) section 8.50.050(C); and

**WHEREAS**, City Council Resolution No. 88075 remains in full force and effect to date; and

**WHEREAS**, the Centers for Disease Control (CDC) recommends physical distancing of at least six (6) feet whenever possible, avoiding crowds, and avoiding spaces that do not offer fresh air from the outdoors, particularly for people who are not fully vaccinated or who are at higher risk of getting very sick from COVID-19. See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>;

**WHEREAS**, the CDC recommends that people who live with unvaccinated people avoid activities that make physical distancing hard. See <https://www.cdc.gov/coronavirus/2019-ncov/your-health/about-covid-19/caring-for-children/families.html>;

**WHEREAS**, the CDC recommends that older adults limit in-person interactions as much as possible, particularly when indoors. See <https://www.cdc.gov/aging/covid19/covid19-older-adults.html>;

## **Exhibit B**

**WHEREAS**, the CDC, the California Department of Public Health, and the Alameda County Public Health Department all recommend that people experiencing COVID-19 symptoms stay home. See <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>;

**WHEREAS**, in-person meetings would tempt community members who are experiencing COVID-19 symptoms to leave their homes in order to come to City facilities and participate in local government; and

**WHEREAS**, attendees would use ride-share services and/or public transit to travel to in-person meetings, thereby putting them in close and prolonged contact with additional people outside of their households; and

**WHEREAS**, on October 18, 2021 the Mayor's Commission on Persons with Disabilities (MCPD) adopted a resolution determining that conducting in-person meetings would present imminent risks to attendees' health, and electing to continue conducting meetings using teleconferencing in accordance with California Government Code Section 54953(e), a provision of AB-361; now therefore be it:

**RESOLVED:** that the MCPD finds and determines that the foregoing recitals are true and correct and hereby adopts and incorporates them into this Resolution; and be it

## ***Exhibit B***

**FURTHER RESOLVED:** that the MCPD firmly believes that the community's health and safety seriously and the community's right to participate in local government, are both critically important, and is committed to balancing the two by continuing to use teleconferencing to conduct public meetings, in accordance with California Government Code Section 54953(e), a provision of AB-361; and be it

**FURTHER RESOLVED:** that the MCPD will renew these (or similar) findings at least every thirty (30) days in accordance with California Government Code section 54953(e) until the state of emergency related to COVID-19 has been lifted, or the MCPD finds that in-person meetings no longer pose imminent risks to the health of attendees, whichever is occurs first.

# OAKLAND MAYOR'S COMMISSION ON PERSONS WITH DISABILITIES (MCPD) STRATEGIC PLANS and ACTIONS 2022

## Goal Area 1 - Policing and Safety

### 1.1 Plans

MCPD will establish relationships with the DVP, MACRO, and other first responders to extend monitoring from policies and procedures to include actual outcomes. (Commissioner Nakamura will assist on the goal of engaging DVP, MACRO, and other First Responders)

Chair Tevelson will contact the Chief of Police (who seems receptive) directly and give them the chance to buy in and make corrections to the way they have done things in the past. The Chair will accept help with this plan.

Commissioner Hattersley can reach out to center for policing equity and other nonprofit resources in the sector who might share insights on approaching this goal.

### 1.1 Actions

Karen Denicore established relationships with DVP and MACRO / OFD

DVP Presentation to MCPD on June 20, 2022. MACRO / OFD Presentation scheduled for September 19, 2022

(MCPD will identify service gaps in the emergency response system and report them to the Mayor and City Council. Thomas Gregory)

### 1.2 Actions

EMSD will present with OFD Fire Chief and MACRO scheduled for September 19, 2022.

MCPD strategized with Shayna Hirshfield-Gold / Environmental Services Division Roadmap to electrifying all existing buildings by 2040 that is due to the City Council in 1 year at the February 28, 2022 meeting.

# **OAKLAND MAYOR'S COMMISSION ON PERSONS WITH DISABILITIES (MCPD) STRATEGIC PLANS and ACTIONS 2022**

MCPD was not satisfied with the response to their concerns regarding pwds during power safety shut offs and other power outages from the PG&E Presentation on September 20, 2021 and sought additional information on the local Disability Disaster Access and Resources (DDAR) with a presentation from CRIL (Community Resources for Independent Living) on March 21, 2022 arranged by Karen Denicore.

## **Goal Area 2 - Accessibility of City Programs/Services/Activities**

### **2.1 Plans**

MCPD will use all potential opportunities to lobby and advocate on behalf of ADA Programs Division. MCPD will communicate to key stakeholders, including elected officials, city staff, Oakland residents, and the disability community. on the critical need for increased funding and capacity for ADA Programs Division.

MCPD will make a call to action, lobby City Council members and everyone who is running, if there are any elections going on, to state their policies on ADA, ADA compliance in the City of Oakland and describe their full disability platforms.

Include 2.1 second and third paragraph points in the Annual report from MCPD to Life Enrichment Committee and all other relevant communications and reports.

The MCPD will support staff work to achieve this goal.

The Commission will advocate during both the City Council and staff (April) and Mayor's Office (March) Budget Engagement Process by sending letters from current and previous chairs with the recommendations of the Commission and following up to assure that the recommendations are received and considered.

### **2.1 Actions**

Chair Tevelson reports contacts with candidates for Oakland Mayor's Office to question their positions on ADA programs and present the recommendations of MCPD at the July 18, 2022 meeting.

Chair Tevelson and ADA Staff worked together to schedule the MCPD Annual chair Report to the Life Enrichment Committee (LEC) of the Oakland City Council with the recommendations of the MCPD. The LEC immediately forwarded it to the Oakland City Council where it was adopted by consent at their May 17, 2022 meeting. At the beginning of June, the proposed midcycle budget amendment included the move of ADA Programs from OakDOT to CAO and the addition of a fourth position in ADA Programs Division.

## **Goal Area 3 - Ensure Affordable and ADA-compliant Accessible housing stock**

# OAKLAND MAYOR'S COMMISSION ON PERSONS WITH DISABILITIES (MCPD) STRATEGIC PLANS and ACTIONS 2022

## 3.1 Plans

Continue to advocate during every budget cycle for funding for accessibility modifications.

Advocate for accessibility improvement funding grants available directly to renters. (see also 3.2)

Make this issue part of disability platform we request per 2.1

MCPD will participate in the General Plan community engagement process just kicking off to promote Universal Design (UD)

In 2018 Planning and Building presented the Downtown Specific Plan and made the recommendation to include UD Guidelines city wide. (Commissioner Nakamura worked with Alameda on their UD process and is well informed to present and promote to LEC and City Departments. MCPD will examine how current and proposed rent control measures could impact the availability of accessible rent-controlled housing for PWDs. Thomas Gregory)

MCPD will support an Oakland elevator ordinance (like the one in Berkeley) that is currently under review in the office of the City Attorney.

## 3.1 Actions

The MCPD received their first high overview General Plan Update presentation on February 28th.

MCPD continued educating themselves on Universal Design with a presentation on Housing Design Standards for Accessibility and Inclusion from The Kelsey on July 18, 2022 arranged by Commissioner Hattersley.

MCPD Vice Chair Smith has maintained contact with the Office of the City Attorney who has tabled this issue at the moment for election related priorities.

## 3.2 Plans

Follow up with the General Plan about need for affordable housing and need to address homelessness from multiple angles. (Present the need for access improvement funding directly to renters to avoid accessibility issues that force senior and persons with disabilities (who are a large proportion of renters) into homelessness. (see also 3.1) Thomas Gregory)

MCPD will maintain a dialogue with homeless services to be updated on the status and needs of unhoused persons with disabilities

Commissioner Eberhardt will ask EBALDC/ MidPen/ EBHO to share their concerns about lack of affordable housing with the general plan development and/or mid-cycle budget process.

## 3.2 Actions

MCPD Vice Chair Eberhardt applied to serve on the Equity Working Group for the City of Oakland General Update and was chosen for this two-year long process.

# Addressing Sidewalk Parking In Oakland

Mayor's Commission on Persons with Disabilities

8/15/2022

# AGENDA

— — —

1. Toward a Shared Understanding of the Problem
2. Background/Context
3. Next steps

# Toward a shared understanding of the Problem

Image is a photo of Underhills Road in Oakland depicting many vehicles parked on the sidewalk

# Sidewalk parking

- Is illegal (even if sidewalk is not fully obstructed)
- Obstructs the public right-of-way, creating a potential safety hazard
- Negatively affects all sidewalk users, but especially persons with disabilities, seniors, children and people with strollers
- Tends to occur more often on narrow streets
- May be increasing as vehicles get wider

# Background/Context

**Law, Memos, & Citation History**

# California Vehicle Code

CITY OF OAKLAND

ONE FRANK H. OGAWA PLAZA • OAKLAND, CALIFORNIA 94612

August 26, 2004

Hand-delivered and by U.S. Mail

TO THE RESIDENTS OF UNDERHILLS ROAD

Dear Underhills Road residents,

We have reached an agreement that will allow residents of Underhills Road to continue to use both sides of the street for parking while preserving sidewalk access for Gregory Jurn.

The agreement is as follows:

1. Underhills residents are required to trim their vegetation to ensure that it does not encroach on sidewalk access. Hedges and other plantings may no longer protrude onto the sidewalk and residents must ensure careful and consistent trimming. The date for completion of trimming is September 12. Beginning on Monday, September 13, any resident who does not comply will be subject to receipt of an abatement notice from the City.
2. Underhills parking will be restricted as follows:

On the even side of the street, parkers shall maintain a **minimum of 36 inches** and a maximum of 48 inches for pedestrian access to the sidewalk. The City will investigate the feasibility of a wider sidewalk corridor in the future. In order to ensure that the minimum is consistently maintained, the City will use water-based paint and dashed lines on the sidewalk to indicate the 36-inch minimum space that parked cars must permit for sidewalk access. These minimally intrusive marking will be completed by September 30, 2004.

On the odd side of the street parkers must leave as much room for vehicles to pass as possible.

## 2004 Letter from City Attorney

# Next Steps

# **Next steps**

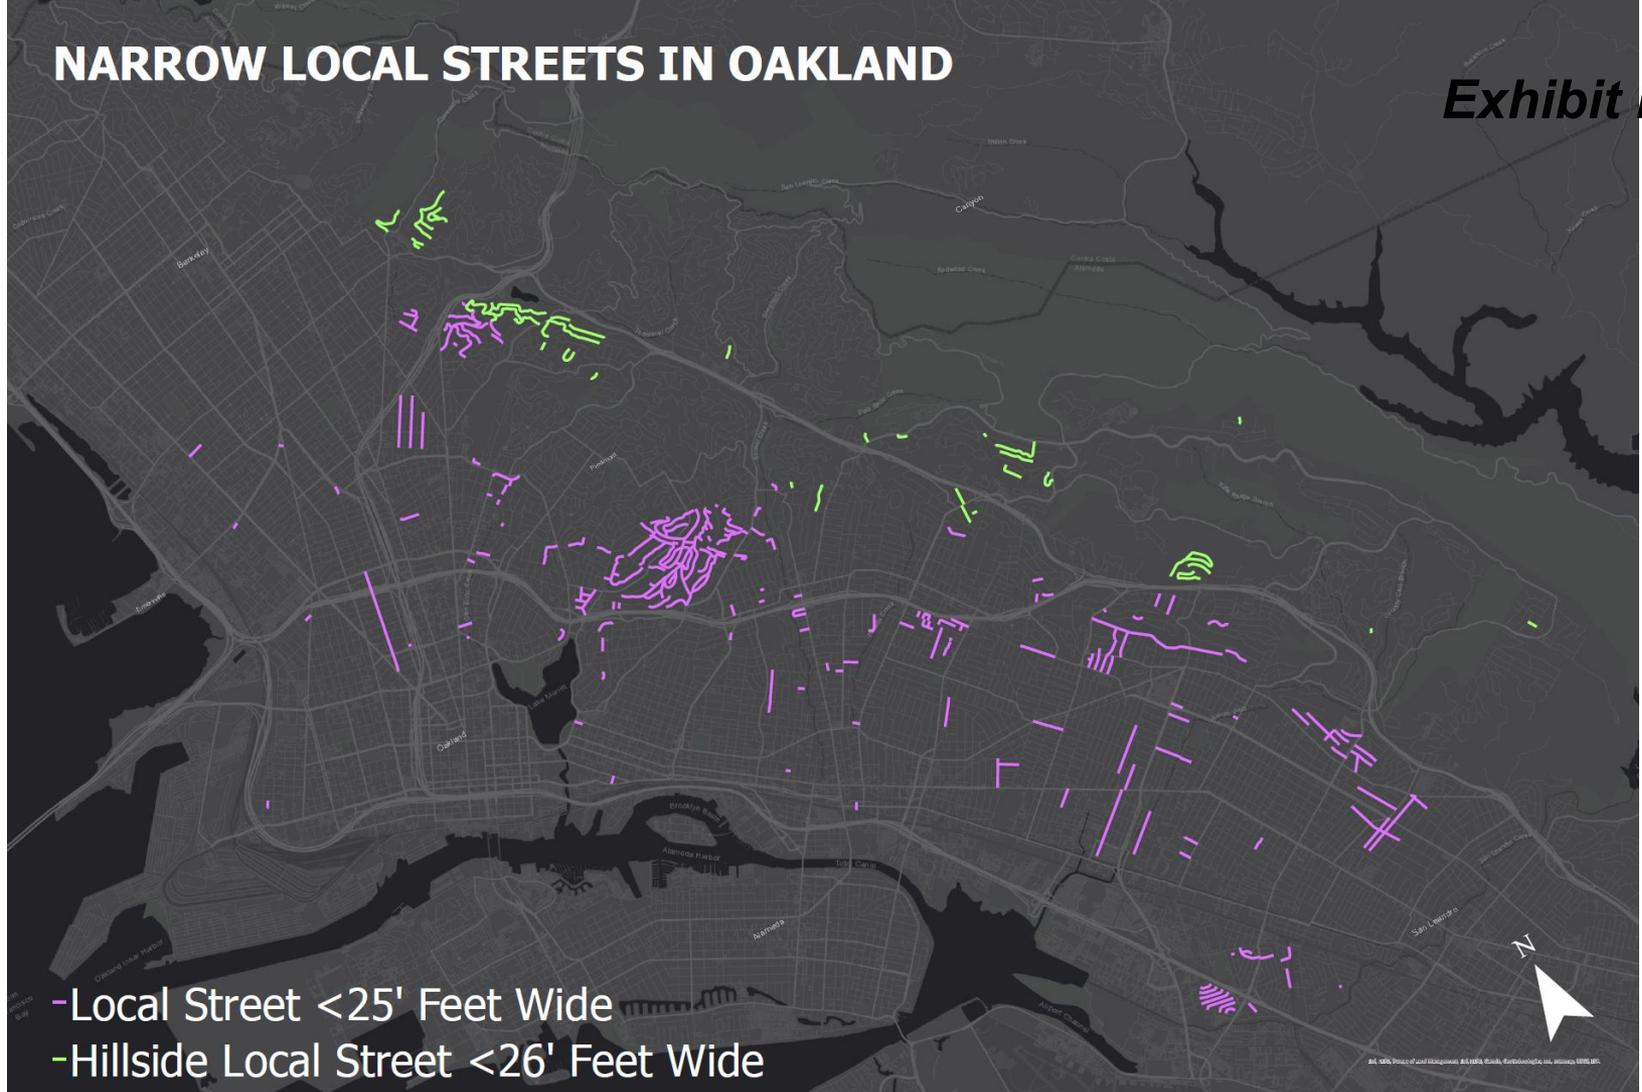

1. Continue Citywide outreach
2. Determine what operational street changes are necessary
3. Use enforcement to complement street changes

# Education and outreach

- Press release
- City Council informational report
- Letters to homes on narrow streets
- Visiting Neighborhood Service Council meetings
- Given limited staff resources, outreach needs to be targeted to streets where this is an issue

# Street Changes

- Are the long-term solution but will take longer to install
- We'd want to hear from neighbors which they prefer:
  - Two-way to one-way conversion or
  - Restricting parking on one side
