|-----------------------------------|
| Building Permit Number (s) |
| Project Address: |

I, _____, request an extension of the expiration date of my Building Permit Application, per Section 304(d) of the Oakland Building Code, due to circumstances beyond my control.

State reason for the request:

- I request that the application be extended to _____
- I realize that extensions are not guaranteed and that this request may not be granted.
- If the application extension is not granted, I understand that a new application would need to be filed including resubmitting plans and paying new submittal fees again as applicable.
- For projects subject to Impact Fees, I understand that additional fees will be charged if the permit is not issued within one 1 year of the original submittal date.
- By signing below, I acknowledge that I am an approved representative of this project and that all information provided is true and correct.
