# Ready, Oakland?

*Are your employees ready for a disaster? Do you have customers that rely on your business to fulfill critical needs in an emergency? Read on to learn more about Oakland's Emergency Services.*

**Did you know?** The month of June is officially Community Emergency Response Team [CERT] Month in Oakland. In honor of CERT Month, here are 3 actions your Emergency Management Services Team is taking to ready Oakland:

1. We are promoting a culture that prioritizes emergency preparedness and community emergency response via **CERT Training**.
2. We are launching a **Ready Oakland Community Markets Campaign** [tabling/community outreach at 10+ different sites across Oakland during the month of June].
3. We are hosting **Oakland Personal Emergency Preparedness Classes with our partners around Oakland**.

**Wondering how you can help?** We'd love to partner with you to make Oakland a more prepared and resilient city. During CERT Month, City teams will be conducting outreach activities [tabling] at various high traffic locations across Oakland. If you would like to host an outreach table at/near your establishment, let us know. We'll bring:

- a table
- chairs
- a canopy
- informational resources
- City staff
- an informational poster for display in your establishment
- a Ready Oakland Floor/Sidewalk decal for display in/outside of your establishment
