Dear Oakland Senior Center Members,

We are excited to announce the City of Oakland Senior Center staff line-up for 2022. This group brings the skills and dedication needed to safely deliver the in-person programming we are determined to offer you next year. In addition to bringing back familiar activities we know you enjoyed with your friends in the past you will have an opportunity to experience new and innovative programs that will be created based on community feedback and interest. It is my great pleasure to introduce the staff who will be at each of the City of Oakland Senior Centers:

SENIOR CENTER TEAM

Downtown	East	North	West
Jessi Cutter	Nalleli Albarran	Kayla Brown	Mia Thibeaux
Sharia Lewis	Michelle Gomez Thompson	Patricia Toscano	Amy Miller

What I find is the most remarkable characteristic of this group of center staff is their focus on equity and fairness across communities and their generous spirit of sharing and assistance with each other. I ask you to look at this group as a unified Team with representatives placed at Centers across the City.

In addition to the eight City of Oakland members services staff, the four Senior Centers will continue to be supported by Custodians, Information and Assistance staff, Senior Aides, and various program facilitators. There have even been recent Case Manager sightings at some of your centers; more to come in 2022.

Aging Services is looking forward to fully serving you in 2022. Please look for more information after the first of the year. Have a happy New Year!

Sincerely,

Scott Means
Aging Services Manager
