

Board Vice Chair

Raphael Breines is a career public servant with tremendous experience as an environmental, park, recreation, open space, and land use planning professional at various public agencies since 1999. For the past four years he has worked as a senior planner at UC Berkeley focused on issues affecting the campus's-built environment. He worked for almost 18 years as a park planner for the East Bay Regional Park District, and in that capacity prepared land use plans for regional parks in Alameda and Contra Costa counties. He has a BA from UC Santa Cruz and a master's degree in Urban Planning from San Jose State University.
