**WHEREAS**, on March 4, 2020, Governor Gavin Newsom declared a state of emergency related to COVID-19, pursuant to Government Code Section 8625, and such declaration has not been lifted or rescinded. See <https://www.gov.ca.gov/wp-content/uploads/2020/03/3.4.20-Coronavirus-SOE-Proclamation.pdf>

**WHEREAS**, on March 9, 2020, the City Administrator in their capacity as the Director of the Emergency Operations Center (EOC), issued a proclamation of local emergency due to the spread of COVID-19 in Oakland, and on March 12, 2020, the City Council passed Resolution No. 88075 C.M.S. ratifying the proclamation of local emergency pursuant to Oakland Municipal Code (O.M.C.) section 8.50.050(C); and

**WHEREAS**, City Council Resolution No. 88075 remains in full force and effect to date; and

**WHEREAS**, the Centers for Disease Control (CDC) recommends physical distancing of at least six (6) feet whenever possible, avoiding crowds, and avoiding spaces that do not offer fresh air from the outdoors, particularly for people who are not fully vaccinated or who are at higher risk of getting very sick from COVID-19. See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>;

**WHEREAS**, the CDC recommends that people who live with unvaccinated people avoid activities that make physical distancing hard. See <https://www.cdc.gov/coronavirus/2019-ncov/your-health/about-covid-19/caring-for-children/families.html>;

**WHEREAS**, holding in-person meetings would encourage community members to come to City facilities to participate in local government, and some of them would be at high risk of getting very sick from COVID-19 and/or would live with someone who is at high risk; and

**WHEREAS**, in-person meetings would tempt community members who are experiencing COVID-19 symptoms to leave their homes in order to come to City facilities and participate in local government; and

**WHEREAS**, attendees would use ride-share services and/or public transit to travel to in-person meetings, thereby putting them in close and prolonged contact with additional people outside of their households; now therefore be it:

**RESOLVED:** that the Public Safety and Services Oversight Commission finds and determines that the foregoing recitals are true and correct and hereby adopts and incorporates them into this Resolution; and be it

**FURTHER RESOLVED:** that, based on these determinations and consistent with federal, state and local health guidance, the Public Safety and Services Oversight Commission determines that conducting in-person meetings would pose imminent risks to the health of attendees; and be it

**FURTHER RESOLVED:** that the Public Safety and Services Oversight Commission firmly believes that the community's health and safety seriously and the community's right to participate in local government, are both critically important, and is committed to balancing the two by continuing to use teleconferencing to conduct public meetings, in accordance with California Government Code Section 54953(e), a provision of AB-361; and be it

**FURTHER RESOLVED:** that the Public Safety and Services Oversight Commission will renew these (or similar) findings at least every thirty (30) days in accordance with California

Public Safety & Services Violence Prevention Oversight Commissions - 2014: Submitted

**Interests & Experiences**

**Please tell us how your qualifications and participation will relate to the requested board and/or commission's mission.**

As someone with significant experience in public safety matters, it would be an honor to serve on the SSOC as the district 2 representative. Over the past year I've been an Advisory Board member on the Reimagining Public Safety Task Force as well as an ad hoc member for 2 Police Commission committees. I was also a finalist for the Police Commission community appointment in 2020. Prior to that I've worked in public safety violence preventative measures, as a national subject matter expert in charge of conducting anti-racial profiling and antiracism work for Nextdoor.com for nearly 5 years. I was recruited for the role at Nextdoor.com after they found out about a neighborhood group I co-founded in the Grand Lake neighborhood entitled Oakland Neighbors Inspiring Trust where over the course of 6 years I spearheaded and organized several facilitated workshops regarding race, equity, and inclusion for hundreds of my neighbors. The group is still in existence to this day. By raising the level of consciousness of folks who attend these workshops it helps both with building community and deterring unnecessary calls to the police, and other positive outcomes. In the past I've also been a Nationally Registered EMT after graduating from the SF Paramedic Association and when I served as a Surface Warfare Officer in the Navy I completed both basic and advanced firefighting schools which gives me insight into firefighter operations that very few people have. I'm also in the process of pursuing professional Restorative Justice training through SEEDS and after that intend to pursue a masters in Restorative Justice which shows how heavily invested I am into violence prevention and anti-incarceration which is in line with one of the missions of the Department of Violence Prevention. With the goal of the SSOC being to oversee Measure Z, the enabling objectives for that include (1) reducing violent crime, (2) improving 911 response times, (3) and investing in violence prevention efforts, I'd say that my skills, ambitions, and past experiences are in line with those primary objectives. I'm also a veteran of a foreign war and have significant experience and accomplishments in deescalating use of force situations, briefing flag officers, and working as a warfare commander within a combat theater where I had to oftentimes make split second decisions similar to how police department personnel have to make and am familiar with what it takes to manage ones fight or flight response, which would be an invaluable tool to have on the SSOC in determining deescalation for use of force situations for OPD that could lead to better outcomes for violent crime situations that OPD responds to. I'm also self employed and have done a considerate amount of research on all of these matters and how they pertain to Oakland so I'm ready to contribute immediately if selected to be a member of this commission. Thank you for your consideration. Respectfully, Omar Farmer
