

TYPING CERTIFICATE OPTION II:

Attach an online typing certificate screenshot certifying ability to type at least 35 net words per minute (35 WPM).

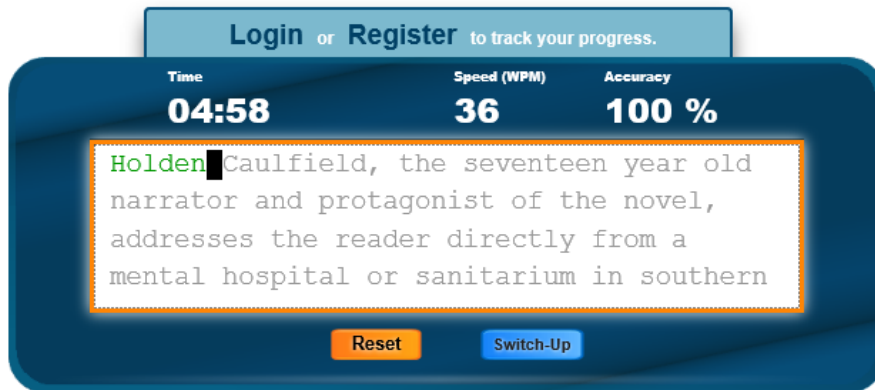

1. Go to: <https://www.speedtypingonline.com/typing-test>

2. Under "Test Time", select "5 minutes" from the drop-down menu.

3. Type the words as shown in the window below and the timer will start.

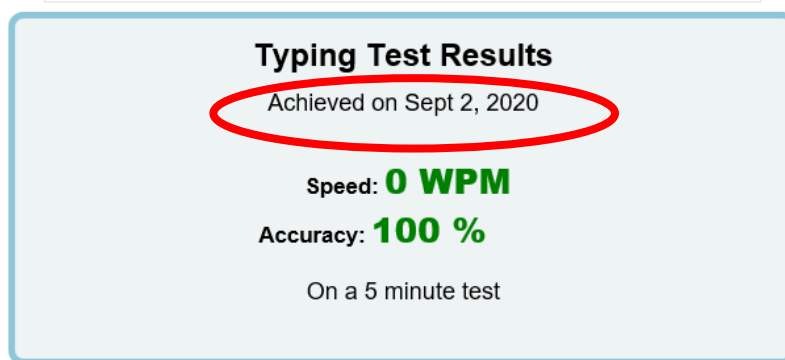

4. After you have completed your 5-minute typing test, capture two (2) screen shots as shown below:

Results:

Date: Click on “Link to Results” for 2nd screenshot to capture the test date.

5. Save the two (2) screenshots and attach to your application.
