

GREAT OPPORTUNITY FOR STREET FOOD VENDORS

Thanks to the generous support of Wells Fargo, FTHF is offering the “Open for Business Package”

What includes the Open for Business Package?

It includes:

1. A grant,
2. A flexible loan, and
3. Comprehensive no-cost Business assistance.

An example:

Mariana sells hot dogs, and she needs \$10,000 to repair her cart and to renew her permits. Mariana could apply to the Open for Business Package to obtain \$10,000. If approved, it would include a \$7,000 loan and \$3,000 grant. Mariana would need to repay only the \$7,000 in monthly flexible payments.

- The loan amount will depend on your business needs as well as on your capacity to pay the loan back.
- Interest rate is only 3% annually.
- The money can be used to purchase a pushcart, pay permit and license fees, and purchase inventory, equipment and supplies.
- You can apply with your social security number or your ITIN.
