

CITY OF OAKLAND
RETIREMENT BENEFIT INFORMATION
NON-SWORN/MISCELLANEOUS EMPLOYEES

Welcome to the City of Oakland. As a full time or permanent part-time employee, you are eligible for retirement pension benefits in the California Public Employees Retirement System (CalPERS). The following is basic information regarding your retirement membership in CalPERS.

- Retirement benefit amounts are calculated using the employee's service credit, benefit factor and final compensation. The current retirement formulas for Non-Sworn (Miscellaneous) employees are:
 - Tier One (Classic Members): 2.7% @ age 55; final compensation will be based on any 12 highest consecutive months.
 - Tier Two (New hires as of June 8, 2012): 2.5% @ age 55; final compensation will be based on the average of 3 consecutive years prior retirement date.
 - Tier Three (New hires as of January 1, 2013): 2% @ age 62; final compensation will be based on the average of 3 consecutive years prior retirement date.
- An employee becomes vested in the retirement system after 5 years of service.
- Employees in Tier One and Tier Two are eligible to retire as early as age 50. Employees in Tier Three are eligible to retire at age 52. Early retirement is subject to proration of retirement rates stated above.
- The required employee contribution toward retirement is 8% of base salary. This amount is deducted from your paycheck. The funds paid by the employee go into an account and earn interest. If you separate from employment for reasons other than retirement, you are entitled to withdraw these funds or if vested, leave them in the account and defer retirement.
- Employees who have service credit with other CalPERS agencies or have service in a reciprocal member agency will receive retirement benefits for those years based on the respective agency's retirement formula and final compensation.
- Retirees may receive a cost of living adjustment up to 2% per year.
- Employees retiring from the City of Oakland are entitled to automatically continue their medical coverage with CalPERS. Non-Sworn employees who have at least ten (10) years of service with the City of Oakland may be eligible to have their medical subsidized by the City. This benefit is subject to the employee's Memorandum of Understanding (MOU).
