THE JLAC FACILITY

A grand entrance area greets visitors with a soaring central tower of skylights flooding both floors with natural light.

The top of the stairwell, greets you with another sun-filled room, which defines a second spacious gathering area.

The main banquet room, located on the second floor includes a high-pitched ceiling framed with massive wooden beams that can accommodate 185 guests. Floor to ceiling windows provide sweeping panoramic views along with French doors leading out onto the deck area, completing your view of the waterfront from inside the main room.
