

**CREEK PROTECTION PERMIT
APPLICATIONS ON FILE
August 17, 2018**

**CITY OF OAKLAND
PLANNING & BUILDING DEPARTMENT
Bureau of Planning & Zoning
250 Frank H. Ogawa Plaza, 2nd Floor
Oakland, California 94612-2031**

The City has received the following application for a Creek Protection Permit, #CP18031 included in this notice for review and action.

You have received this notice because our records indicate that you own property and/or reside near one of the project locations listed below or you have indicated your interest in one of the applications.

You may view the project application and/or plan by visiting our offices. The case planner need not be present to see the project file. Your comments and/or questions regarding an application must be directed to the Planning & Building Department – Bureau of Planning & Zoning, to the attention of the designated case planner, and by the end of the 10-day public comment period:

August 27, 2018

In your comment letter please indicate the case number (which is identified on each notice) at the upper right hand corner of your letter so it will reach the case planner promptly.

A decision will be made on the application after this date. If you decide to appeal the Zoning Manager's decision or challenge the application in court, you will be limited to issues raised in written correspondence or email and delivered to the Zoning Division on, or prior to the end of the 10-day public comment period as indicated above. If you wish to be notified of the decision of any of these cases, please indicate the Case Number and submit a self-addressed stamped envelope for each case, to the Community and Economic Development Agency – Zoning Division, at the address indicated above.

Except where noted, once a decision is reached by the Zoning Manager on these cases, they are appealable to the Planning Commission. Such appeals must be filed within ten (10) calendar days of the date of decision by the Zoning Manager and by 4:00p.m. An appeal shall be on a form provided by the Bureau of Planning and Zoning, and submitted to the same at 250 Frank H. Ogawa Plaza, Suite 2114, to the attention of the Case Planner. The appeal shall state specifically wherein it is claimed there was error or abuse of discretion by the City of Oakland or wherein the decision is not supported by substantial evidence and must include payment in accordance with the City of Oakland Master Fee Schedule. Failure to file a timely appeal will preclude you from challenging the City's decision in court. The appeal itself must raise every issue that is contested along with all the arguments and evidence previously entered into the record during the previously mentioned ten (10) day public comment period. Failure to do so will preclude you from raising such issues during the appeal hearing and/or in court.

Please help up achieve wider notification by alerting your friends and neighbors if you believe they would be interested in any or the cases listed below. Please note that the descriptions of the applications found below are preliminary in nature and that the projects and/or such descriptions may change prior to a decision being made.

Notice of Creek Protection Permit (CP) Application

Project Name:	Sewer Line Replacement/Rehabilitation with a Creek Protection Permit
Location:	6391 Longcroft Drive, (APN: 048D72805700)
Proposal:	Lay new pipeline to rehabilitate/replace approximately 190 linear feet of sanitary sewer pipe located within an existing sewer easement above the banks of an existing tributary to Sausal Creek. Two new sewer structures and two concrete piers will be installed to support the pipe. Rehabilitation efforts are required as a result of an erosion washout created along the banks of the creek and proximity to the creek requires a Category IV Creek Protection Permit. The project is part of a larger ongoing sanitary sewer rehabilitation project within the Sausal Creek sub-basin area (CP16010 approved 9/30/16). Work is within the proximity of 6391 Longcroft Drive near the intersection of Haverhill Drive and Longcroft Drive. It is urgent that the rehabilitation project be implemented prior to the rainy season to avoid impacts to the creek and in order to ensure the sewers system are fully functional during the 2018-2019 wet season.
